Minor Revisions to the Collection Instrument

SSA is making the following revisions:

We are changing the name of the web registration system, and the form numbers. Under the new moniker, it is now the Government-to Government Services Online (GSO) Website Registration, Government-to-Government Services Online Website Account Modification, /Deletion Form. Form SSA-118 is now Form SSA-159(GSO Website Registration Form), and Form SSA-119 is now Form SSA-160(GSO Website Account Modification/Deletion Form). W

We are revising the PRA statement to reflect our current boilerplate language. The current language, which dates back to the last reprint of the form, is now outdated.

SSA's Office of the General Counsel is conducting a systematic review of SSA's Privacy Act Statements on agency forms. As a result, SSA is updating the Privacy Act Statement on the first page of the form.
