RESPONDENT BURDEN: The Paperwork Reduction Act of 1995 requires us to notify you that this information collection is in accordance with the clearance requirements of Section 3507 of the Paperwork Reduction Act of 1995. We may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a valid OMB number. We anticipate that the time expended by all individuals who must complete this application will average 20 minutes. This includes the time it will take to read instructions, gather the necessary facts and fill out the forms.

All participants must complete questions 1-15, whether or not you wish to have a news release. If you would like a news release posted on the Clinic's website about your participation this year, you must fill out this form completely. Our Hometown News program promotes publicity about the Clinic by posting an individual news release for every veteran who wants one on the website during the week of the Clinic. The releases may be found at www.wintersportsclinic.va.gov. In order to prepare your news release, we must have all needed information in advance. We cannot gather this information during the Clinic.
