

Public reporting burden for this collection of information is estimated to average 2 minutes per response for Oregon fish tickets and 8 minutes per response for Washington and California tickets, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other suggestions for reducing this burden to the NOAA Fisheries Groundfish Team at 206-526-6140. This information is considered confidential under section 402(b) of the Magnuson-Stevens Act. Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subjected to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
