Product Code									
Weight									

Is this a partial delivery? YES NO Is this the last delivery for this trip? YES NO

 Manager or Operator Signature

 Catcher Vessel Operator Signature

 Fax Number

 Contact Telephone Number

 NOAA Enforcement Signature

INSTRUCTIONS

ROCKFISH IERS MANUAL LANDING REPORT

If a Shoreside Processor or SFP

Enter complete name as displayed in official documentation.
 Enter the printed name of the manager.
 Enter Federal processor permit number

If a Catcher/processor or Mothership

Enter complete name as displayed in official documentation.
 Enter the printed name of the operator.
 Enter Federal fisheries permit number

ADF&G Processor Code.

Enter 5-digit State of Alaska Department of Fish & Game (ADF&G) processor code.

Gear Type.

Indicate the gear type of harvester. If gear type used to harvest fish is not listed, check OTHER and describe gear.

Federal Reporting Area.

Enter the reporting area code where groundfish were harvested.

COBLZ or RKCSA.

If groundfish were harvested using trawl gear, indicate whether catch was harvested in COBLZ or RKCSA.

Date of Delivery.

Enter the month and day landings were received from Catcher Vessel or Buying Station.

Receipt Time.

Record the time (to the nearest hour, A.I.t.) when receipt of groundfish catch was completed.

CV or BS.

Mark CV or BS to indicate delivery by a catcher vessel or buying station, respectively.

Receive Discard Report.

If catch was received from a catcher vessel, indicate (YES or NO) whether blue DFL was submitted. If NO, enter code to describe reason. If catch received from a buying station, leave this column blank.

Code	Reason for Non-submittal
P	Catcher vessel does not have a Federal fisheries permit
	Catcher vessel is under 60 ft LOA and also does not have a Federal fisheries permit
L	Catcher vessel is under 60 ft length overall
U	Catcher vessel delivered an unsorted codend
If blue discard copy of DFL is not submitted by catcher vessel, and no reason was given, enter NO without a code.	

Fish Ticket Number.

If delivery is from a catcher vessel, enter the ADF&G fish ticket number issued to the Catcher Vessel. If delivery is from a Buying Station, leave this column blank.

Total Hail Weight (lb or mt).

Circle either lb or mt. Use the same units to report weight throughout the year. Enter the estimated total catch weight in pounds or to the nearest mt without regard to species.

Name.

If applicable, enter the name of the Catcher Vessel or Buying Station delivering the groundfish.

ADF&G No.

Enter the 5-digit ADF&G vessel registration number of the Catcher Vessel or Buying Station (if applicable) delivering the groundfish.

Enter the daily total scale weight of landings, by species and product codes, in pounds or to the nearest 0.001 mt

Species Code.

Enter the species code for each landed species.

Product Code.

Enter the product code for each landed species.

PUBLIC REPORTING BURDEN STATEMENT

Public reporting burden for this collection of information is estimated to average 35 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to Assistant Regional Administrator, Sustainable Fisheries Division, Alaska Region, NMFS, P.O. Box 21668, Juneau, AK 99802.

ADDITIONAL INFORMATION

Before completing this form please note the following: 1) Notwithstanding any other provision of the law, no person is required to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number; 2) This information is mandatory, is required to manage commercial fishing effort under 50 CFR part 679 and under Section 402(a) of the Magnuson-Stevens Act (16 U.S.C. 1801, *et seq.*); 3) Responses to this information request are confidential under Section 402(b) of the Magnuson-Stevens Act. They are also confidential under NOAA Administrative Order 216-100, which sets forth procedures to protect confidentiality of fishery statistics.
