Appendix A A.2.3.i–1

National Children's Study Nail Collection Instructions

To collect your toenail clippings, please follow the directions below:

- 1. Clip or cut the nails from <u>all</u> toes on <u>both</u> feet.
- 2. Clip or cut the amount of toenail which is comfortable to you (such as you would normally do).
- 3. Place the clippings from all toes in the bag provided by the interviewer.
- 4. Give the bag to the interviewer.

Thank you!
