Section 1860 D-14 of the *Social Security Act* authorizes the collection of information requested on this form. The information you provide will be used to enable the Social Security Administration (SSA) to determine if you are eligible for help paying your share of the cost of a Medicare Prescription Drug Plan. If you do not have to give us the information requested. However, if you do not give us the information, we will be unable to make an accurate and timely determination of your eligibility for the appeal. We may provide information collected on this form to a state, or local government agency to assist us in determining your eligibility for the subsidy or if a Federal law requires the release of information. We also may need to share the information with other SSA programs if SSA needs to determine your eligibility in those programs.

See below for revised Privacy Act statement.

We also may use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, state, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal Government. The law allows us to do this even if you do not agree to it. Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.

Paperwork Reduction Act Statement — This information collection meets the requirements of 44 U.S.C. §3507, as amended by section 2 of the *Paperwork Reduction Act of 1995*. We estimate that it will take about 10 minutes to read the instructions, gather the facts, and answer the questions. You may send comments on our time estimate above to: Social Security Administration, 1338 Annex Building, Baltimore, MD 21235-6401. **Send only comments relating to our time estimate to this address, not the completed form.**

However, we may use it for the administration and integrity of Social Security programs. We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally-funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

A complete list of routine uses for this information is available in our System of Records Notice entitled Medicare Database (60-0321).
