BIA is seeking renewal of the approval for the information collection conducted under 25 CFR 162, Leases and Permits, for the review and approval of leases and permits on land the United States holds in trust or restricted status for individual Indians and Indian tribes. This information collection allows BIA to review applications for leases and permits, modifications, and assignments and to determine:

- (b) The value of each lease;
- (c) The appropriate compensation to landowners; and
- (d) Provisions for violations of trespass.

Approval for this collection expires August 31, 2010. No third party notification or public disclosure burden is associated with this collection. There is no change to the approved burden hours for this information collection.

II. Request for Comments

The BIA requests that you send your comments on this collection to the locations listed in the **ADDRESSES** section. Your comments should address: (a) The necessity of the information collection for the proper performance of the agencies, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents, such as through the use of automated collection techniques or other forms of information technology.

Please note that an agency may not sponsor or conduct, and an individual need not respond to, a collection of

information unless it has a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section during the hours of 9 a.m.–5 p.m., Eastern Time, Monday through Friday except for legal holidays.
