

proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) enhance the quality, utility, and clarity of the information to be collected; and (4) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Public Housing Inventory Removal Application.

OMB Control Number: 2577-0075.

Description of the need for the information and proposed use. This collection of information is an extension to the information collection under Paperwork Reduction Act Submission (PRA) 2577-0075 under ICR Reference Number 200707-2577-004 that was approved by OMB on August 15, 2008. This information is needed to implement statutes and regulations concerning what a PHA must submit to HUD in order to receive HUD approval to remove public housing property under Sections 18, 22, 33 of the U.S. Housing Act of 1937, as well as other applicable regulations. For instance, 24 CFR 970.7 specifically provides what documentation a Public Housing Agency (PHA) must submit to HUD in order to receive HUD approval of a request for demolition and/or disposition action. This information collection requests that documentation. HUD will use this information to review document submissions for compliance with all applicable statutes and regulations.

Agency form number, if applicable: HUD-52860, HUD-52860-B, HUD-52860-C, HUD-52860-D, HUD-52860-E, HUD-52860-F.

Members of affected public: Public housing agencies.

Estimation of the total number of hours needed to prepare the information collection including number of respondents: The estimated number of respondents is 851 PHAs that submit an inventory removal application. The total reporting burden is 6,010 hours.

Status of the proposed information collection: Extension of a currently approved collection

Status of the proposed information collection: Extension to currently approved collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: March 17, 2011.

Merrie Nichols-Dixon,

Acting Deputy Assistant Secretary for Office of Policy, Programs, and Legislative Initiatives.

SUPPLEMENTARY INFORMATION: The Paperwork Reduction Act (44 U.S.C. 3501-3521) and OMB regulations at 5

CFR part 1320 provide that an agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. Until OMB approves a collection of information, you are not obligated to respond (44 U.S.C. 3506 and 3507). In order to obtain and renew an OMB control number, Federal agencies are required to seek public comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d) and 1320.12(a)). For this control number, the BLM requests comments on the following subjects:

1. Whether the collection of information is necessary for the proper functioning of the BLM, including whether the information will have practical utility;
2. The accuracy of the BLM's estimate of the burden of collecting the information, including the validity of the methodology and assumptions used;
3. The quality, utility and clarity of the information to be collected; and
4. How to minimize the information collection burden on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other forms of information technology.

Please send comments as directed under **ADDRESSES** and **DATES**. Please

refer to OMB control number 1004–0196 in your correspondence. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

The following information is provided for the information collection:

Title: Oil and Gas Leasing: National Petroleum Reserve—Alaska (43 CFR part 3130).

Forms: There are no forms associated with control number 1004–0196.

OMB Control Number: 1004–0196.

Abstract: This control number covers paperwork requirements for operators and operating rights owners in the National Petroleum Reserve—Alaska (NPRA). In accordance with the Naval Petroleum Reserves Production Act (42 U.S.C. 6501–6508) and regulations at 43 CFR part 3130 (subparts 3130, 3133, 3135, 3137, and 3138), a respondent may apply to the Bureau of Land Management (BLM) for designation of an NPRA unit agreement and, if the

BLM authorizes such an agreement, the respondent may operate under a unit agreement within the NPRA. The BLM uses the information to meet its responsibilities under the relevant legal provisions. There was no drilling activity in the NPRA in fiscal year 2010, and the BLM anticipates none in fiscal year 2011. Consequently, there has been no recent collection of information under this control number. Notwithstanding these recent developments, the BLM seeks renewal of this control number because of the possibility of future operations.

Frequency of Collection: On occasion. Responses are required in order to obtain or retain a benefit.

Estimated Reporting and Recordkeeping “Hour” Burden: 21 responses and 217.75 hours annually. Respondents are not required to purchase additional computer hardware or software to comply with these information requirements. There are no filing fees associated with this information collection. There are no capital or start-up costs involved with this information collection. The following table details the individual components and respective hour burdens of this information collection request:

60-Day Notice: As required in 5 CFR 1320.8(d), the BLM published a 60-day notice in the **Federal Register** on August 17, 2010 (75 FR 50775), soliciting public comments. The comment period closed on October 18, 2010. The BLM received one comment from the public in response to this notice. The comment was a general invective about the

Federal government, the Department of the Interior, and the BLM. It did not address, and was not germane to, this information collection.

Therefore, we have not changed the collection in response to the comment.

Jean Sonneman,

Bureau of Land Management, Information Collection Clearance Officer.
