IBRS Home Page

The screenshot shows the home page of the U.S. Department of State's Travel.State.Gov website. The header features the Department of State seal and the text "U.S. DEPARTMENT of STATE" and "TRAVEL.STATE.GOV BUREAU OF CONSULAR AFFAIRS". A navigation bar includes links for Home, Create Account, Add Trip, Email Subscriptions, and Contact Us. The main content area is divided into three columns: "What is Travel Registration?", "What can you do on this website?", and "If you have an account, please login here:". The "What is Travel Registration?" section explains that registration is a free service for U.S. citizens traveling abroad. The "What can you do on this website?" section lists two options: registering a trip or overseas residence, and subscribing to travel warnings. The login section includes fields for User ID and Password, with "Forgot User ID?" and "Forgot Password?" links, and a "Log In" button. A link to "create an account" is also present. A footer section titled "Registration and Privacy" states that personal information is safeguarded against unauthorized disclosure.

What is Travel Registration?

Travel registration is a free service provided by the U.S. Government to U.S. citizens who are traveling to, or living in, a foreign country. Registration allows you to record information about your upcoming trip abroad that the Department of State can use to assist you in case of an emergency. Americans residing abroad can also get routine information from the nearest U.S. embassy or consulate.
