National Threat Advisory

National Threat Advisory:
ELEVATED
 Significant Risk Of Terrorist Attacks

Submit A Capability Gap

To be eligible to submit a capability gap, you must be an active/retired first responder. If you are a first responder who has identified a capability gap that impacts multiple departments or sectors of the first response community or have an idea that would aid fellow first responders in doing their job faster, safer, and/or more efficiently, please relay your idea or capability gap to the DHS TechSolutions Program.

NOTE: Please, no unsolicited proposals or grant requests.

* indicates a required field

ABC Check Spelling

What is your idea and/or capability gap? *

Describe the capability gap or innovative idea you've identified that, if addressed, will aid emergency responders in doing their job faster, safer and/or more efficiently.

5000 of 5000 characters remaining

What does the solution need to do? *

Provide a brief description that details what the solution or idea must be capable of doing to adequately address the capability gap or idea you're reporting.

5000 of 5000 characters remaining

Amplifying information or personal idea to solve the problem

Provide any personal insight or expert opinion as to how the capability gap or problem you're reporting can be solved.

5000 of 5000 characters remaining

Please select the discipline and technology area associated with this capability gap.
