The following collections tools are new to the collection:

089-9 Detailed Budget Worksheet

ND Grants System – no form number, this is used to upload some of the grant applications.

The following forms have been removed as they are Standard Forms and the burden is calculated in the collection where the form is approved:

SF 424  
SF LLL  
SF 270

The following FEMA Form has been removed due to the use of Standard Form 425 in place of it:

FF 20-10

The burden for the HMGP grant has been increased due to the change in number of respondents from 52 to 56

Burden for the following grants have been added:

Homeland Security Grant Program  
Interoperable Emergency Communications Grant Program  
Emergency Operations Center Grant Program  
Urban Areas Security Initiative Nonprofit Security Grant Program  
Operation Stonegarden  
Transit Security Grant Program  
Port Security Grant Program  
Freight Rail Security Grant Program  
Trucking Security Program  
Intercity Bus Security Grant Program  
Regional Catastrophic Preparedness Grant Program  
Emergency Management Performance Grants  
Buffer Zone Protection Program  
Driver License Security Grant Program

In Question 15, the Annual Cost Burden has increased due to the application of the 1.4 multiplier, the addition of the new grant programs, and the increase in the HMGP grant. Burden has decreased due to the elimination of the Standard Forms and FEMA Form 20-10.
