OMB No. 1845-0065
Form Approved
Exp. Date 12/31/2011

Federal Family Education Loan Program / Federal Perkins Loan Program / William D. Ford Federal Direct Loan Program / Teacher Education Assistance for College and Higher Education Grant Program
WARNING: Any person who knowingly makes a false statement or misrepresentation on this form or on any accompanying documents will be subject to penalties that may include fines, imprisonment or both, under the U.S. Criminal Code and 20 U.S.C. 1097.

READ THIS FIRST: This is an application for a total and permanent disability discharge of your Federal Family Education Loan (FFEL) Program, Federal Perkins Loan (Perkins Loan) Program, and/or William D. Ford Federal Direct Loan (Direct Loan) Program loan(s), and/or your Teacher Education Assistance for College and Higher Education (TEACH) Grant Program service obligation.

To qualify for this discharge (except for certain veterans as explained below), a physician must certify in Section 4 of this form that you are unable to engage in any substantial gainful activity (see definition in Section 5) by reason of a medically determinable physical or mental impairment that (1) can be expected to result in death; (2) has lasted for a continuous period of not less than 60 months; or (3) can be expected to last for a continuous period of not less than 60 months. This disability standard may differ from disability standards used by other federal agencies (for example, the Social Security Administration) or state agencies. Except as noted below for certain veterans, a disability determination by another federal or state agency does not establish your eligibility for this discharge.

If you are a veteran, you will be considered totally and permanently disabled for purposes of this discharge if you provide documentation from the U.S. Department of Veterans Affairs (VA) showing that you have been determined to be **unemployable due to a service-connected disability**. If you provide this documentation, you are not required to have a physician complete Section 4 of this form or provide any additional documentation related to your disabling condition. You only need to complete Sections 1 and 3.

I understand that (i) I must submit a separate discharge application to each holder of the loan(s) that I want to have discharged. If I am applying for discharge of both a TEACH Grant service obligation and one or more loans, I must submit a separate discharge application to each loan holder and, for TEACH Grants, to the Department. (ii) Unless I am a veteran who provides the documentation described above under "READ THIS FIRST," I may be required to repay a discharged loan or satisfy a discharged TEACH Grant service obligation if I fail to meet certain requirements during a post-discharge monitoring period, as explained in Section 6. (iii) If I am a veteran, the certification by a physician on this form (if I am required to obtain such a certification) is only for the purposes of establishing my eligibility to receive a discharge of a FFEL Program loan, a Perkins Loan Program loan, a Direct Loan Program loan, and/or a TEACH Grant service obligation, and is not for purposes of determining my eligibility for, or the extent of my eligibility for, VA benefits.

I certify that: (i) I have a total and permanent disability, as defined in Section 5. SECTION 4: PHYSICIAN'S CERTIFICATION

READ THIS FIRST: The applicant identified above is applying for a discharge of a federal student loan and/or a teaching service obligation for a federal grant on the basis that he or she has a total and permanent disability, as defined in Section 5 of this form. To qualify for a discharge, the applicant must be unable to engage in any substantial gainful activity (as defined in Section 5) by reason of a medically determinable physical or mental impairment that (1) can be expected to result in death; (2) has lasted for a continuous period of not less than 60 months; or (3) can be expected to last for a continuous period of not less than 60 months. This disability standard may be different from standards used under other programs in connection with occupational disability, or eligibility for social service or veterans benefits. A determination that the applicant is disabled by another federal agency (for example, the Social Security Administration) or a state agency does not establish the applicant's eligibility for this loan discharge.

- Provide all requested information for Items 1, 2, and 3 below, and attach additional pages if necessary. Complete the physician's certification at the bottom of this page. The applicant's loan discharge application cannot be processed if the information requested in this section is missing.
- If you make any changes to the information you provide in this section, you must initial each change.
- **Please return the completed form to the applicant or the applicant's representative.** The holder(s) of the applicant's loan(s) (as defined in Section 5) or the U.S. Department of Education may contact you for additional information or documentation.

Does the applicant have a medically determinable physical or mental impairment (as explained in Item 2 below) that (a) prevents the applicant from engaging in any substantial gainful activity, in any field of work, and (b) has lasted for a continuous period of not less than 60 months, or can be expected to last for a continuous period of not less than 60 months, or can be expected to result in death? In addition to what is required below, you may include any additional information that you believe would be helpful in understanding the applicant's condition, such as medications used to treat the condition, surgical and non-surgical treatments for the condition, etc.

SECTION 5: DEFINITIONS

- If you have a **total and permanent disability**, this means that:
 - (1) You are unable to engage in any substantial gainful activity by reason of a medically determinable physical or mental impairment that can be expected to result in death, that has lasted for a continuous period of not less than 60 months, or that can be expected to last for a continuous period of not less than 60 months, **OR**
 - (2) You are a veteran who has been determined by the VA to be **unemployable due to a service-connected disability**.

NOTE: This disability standard may differ from disability standards used by other federal agencies (for example, the Social Security Administration) or state agencies. Except in the case of certain veterans, a disability determination by another federal or state agency does not establish your eligibility for a discharge of your loan(s) and/or TEACH Grant service obligation due to a total and permanent disability.
- **Substantial gainful activity** means a level of work performed for pay or profit that involves doing significant physical or mental activities, or a combination of both.
- A **discharge of a loan** due to a total and permanent disability cancels your obligation (and, if applicable, an endorser's obligation) to repay the remaining balance on your FFEL, Perkins Loan, and/or Direct Loan program loans. A **discharge of a TEACH Grant service obligation** cancels your obligation to complete the teaching service that you agreed to perform as a condition for receiving a TEACH Grant.
- The **post-discharge monitoring period** begins on the date the Department grants a discharge of your loan or TEACH Grant service obligation and lasts for three years. If you fail to meet certain conditions at any time during or at the end of the post-discharge monitoring period, the Department will reinstate your obligation to repay your discharged loan or complete your TEACH Grant service obligation. See Section 6 for more information.
- The **Federal Family Education Loan (FFEL) Program** includes Federal Stafford Loans (both subsidized and unsubsidized), Federal Supplemental Loans for Students (SLS), Federal PLUS Loans, and Federal Consolidation Loans.
- The **Federal Perkins Loan (Perkins Loan) Program** includes Federal Perkins Loans, National Direct Student Loans (NDSL), and National Defense Student Loans (Defense Loans).
- The **William D. Ford Federal Direct Loan (Direct Loan) Program** includes Federal Direct Stafford/Ford Loans (Direct Subsidized Loans), Federal Direct Unsubsidized Stafford/Ford Loans (Direct Unsubsidized Loans), Federal Direct PLUS Loans (Direct PLUS Loans), and Federal Direct Consolidation Loans (Direct Consolidation Loans).
- The **Teacher Education Assistance for College and Higher Education (TEACH) Grant Program** provides grants to students who agree to teach full time for at least four years in high-need fields in low-income elementary or secondary schools as a condition for receiving the grant funds. If a TEACH Grant recipient does not complete the required teaching service within eight years after completing the program of study for which the TEACH Grant was received, the TEACH Grant funds are converted to a Direct Unsubsidized Loan that the grant recipient must repay in full, with interest, to the Department.
- The **holder** of your FFEL Program loan(s) may be a lender, a guaranty agency, or the Department. The holder of your Perkins Loan Program loan(s) may be a school you attended or the Department. The holder of your Direct Loan Program loan(s) is the Department. If you received a TEACH Grant, the Department holds your TEACH Grant Agreement to Serve.
- The term "**state**" as used on this application includes the 50 United States, the District of Columbia, American Samoa, the Commonwealth of Puerto Rico, Guam, the U.S. Virgin Islands, the Commonwealth of the Northern Mariana Islands, the Republic of the Marshall Islands, the Federated States of Micronesia, and the Republic of Palau.

SECTION 6: DISCHARGE PROCESS / ELIGIBILITY REQUIREMENTS / TERMS AND CONDITIONS FOR DISCHARGE (continues on next page)

NOTE: If you are applying for discharge of loans that are held by the Department, or are applying for discharge of a TEACH Grant service obligation, the discharge process begins with the review by the Department described below.

For veterans who have been determined by the VA to be unemployable due to a service-connected disability:

1. **Review of discharge application by your loan holder.** Your loan holder will review your completed discharge application and the required documentation you provide from the VA. If the documentation indicates that you are totally and permanently disabled in accordance with paragraph (2) of the definition of "total and permanent disability" in Section 5, your loan holder will refer your application and the accompanying documentation to the Department for further review. If the documentation from the VA does not indicate that you are totally and permanently disabled, you will be notified that you must resume payment of your loan(s). If the documentation from the VA does not indicate that you are totally and permanently disabled in accordance with paragraph (2) of the definition of "total and permanent disability," but it indicates that you may be totally and permanently disabled in accordance with paragraph (1) of the definition, you will be notified that you may reapply for discharge under the process for other applicants, as described below. For FFEL Program loans held by a lender, both the lender and the guaranty agency will review your application and accompanying documentation before sending the application and documentation to the Department.
2. **Review of discharge application by the Department.** The Department will review the documentation from the VA to determine if you are totally and permanently disabled in accordance with paragraph (2) of the definition of "total and permanent disability" in Section 5.
3. **Discharge.** If the Department determines that you are totally and permanently disabled, you will be notified that your loan(s) and/or TEACH Grant service obligation has been discharged. The discharge will be reported to national consumer reporting agencies, and any loan payments received on or after the effective date of the determination by the VA that you are unemployable due to a service-connected disability will be refunded to the person who made the payments. If the Department determines that you are not totally and permanently disabled, you will be notified that you must resume repayment of your loan(s), or if you applied for discharge of a TEACH Grant service obligation, that you must comply with all terms and conditions of your TEACH Grant Agreement to Serve.

For all other applicants:

1. **Review of discharge application by your loan holder.** Your loan holder will review your completed discharge application and any accompanying documentation to determine whether you appear to be totally and permanently disabled in accordance with paragraph (1) of the definition of "total and permanent disability" in Section 5. If applicable, your loan holder may also contact your physician for additional information. For FFEL Program loans held by a lender, this determination will be made by both the lender and the guaranty agency. If the loan holder determines that you do not appear to be totally and permanently disabled, you will be notified of that decision. You must then resume payment of your loan(s). If your loan holder determines that you appear to be totally and permanently disabled, your loan(s) will be assigned to the Department. The Department will be your new loan holder.
2. **Review of discharge application by the Department.** The Department will review the physician's certification in Section 4 and any accompanying documentation to determine if you are totally and permanently disabled in accordance with paragraph (1) of the definition of "total and permanent disability" in Section 5. The Department may also contact your physician for additional information, or may arrange for an additional review of your condition by an independent physician at the Department's expense. Based on the results of this review, the Department will determine your eligibility for discharge.
3. **Discharge.** If the Department determines that you are totally and permanently disabled, you will be notified that a discharge has been granted, and that you will be subject to a post-discharge monitoring period for three years beginning on the discharge date. The notification of discharge will explain the terms and conditions under which the Department will reinstate your obligation to repay your discharged loan or complete your discharged TEACH Grant service obligation, as described in Item 4, below. The discharge will be reported to national consumer reporting agencies, and any loan payments that were received after the date the physician certified your discharge application will be returned to the person who made the payments.

If the Department determines that you are not totally and permanently disabled, you will be notified of that determination. You must then resume repayment of your loan(s), or if you applied for discharge of a TEACH Grant service obligation, you must comply with all terms and conditions of your TEACH Grant Agreement to Serve.
4. **Post-discharge monitoring period.** If you are granted a discharge, the Department will monitor your status during the 3-year post-discharge monitoring period that begins on the date the discharge is granted. The Department will reinstate your obligation to repay your discharged loan(s) and/or your obligation to complete your discharged TEACH Grant service obligation if, at any time during the post-discharge monitoring period, you:
 - Receive annual earnings from employment that exceed the poverty line amount (see Note below) for a family of two in your state, regardless of your actual family size;
 - Receive a new loan under the FFEL, Perkins Loan, or Direct Loan Program or a new TEACH Grant; or
 - Fail to ensure that a loan or TEACH Grant disbursement was returned to the loan holder or (for a TEACH Grant) to the Department within 120 days of the disbursement date, in the case of a FFEL, Perkins, or Direct Loan program loan or a TEACH grant that was made before the discharge date, but was disbursed during the 3-year post-discharge monitoring period.

During the 3-year post-discharge monitoring period, you (or your representative) must:

- Promptly notify the Department if your annual earnings from employment exceed the poverty line amount for a family of two in your state (see Note below), regardless of your actual family size;
- Promptly notify the Department of any changes in your address or telephone number; and
- If requested, provide the Department with documentation of your annual earnings from employment.

Note: The poverty line amounts are updated annually and may be obtained at <http://aspe.hhs.gov/poverty>. The Department will notify you of the current poverty line amounts during each year of the post-discharge monitoring period.

SECTION 6: DISCHARGE PROCESS / ELIGIBILITY REQUIREMENTS / TERMS AND CONDITIONS FOR DISCHARGE (continued from previous page)

5. Reinstatement of obligation to repay discharged loans or complete discharged TEACH Grant service obligation. If you do not meet the requirements described above in Item 4 at any time during or at the end of the post-discharge monitoring period, the Department will reinstate your obligation to repay your discharged loan(s) and/or to complete your discharged TEACH Grant service obligation. If you received a discharge of your loan(s), this means that you will be responsible for repaying your loan(s) in accordance with the terms of your promissory note(s). However, you will not be required to pay interest on your loan(s) for the period from the date of the discharge until the date your repayment obligation was reinstated. The Department will continue to be your loan holder. If you received a discharge of your TEACH Grant service obligation, you will again be subject to the requirements of your TEACH Grant Agreement to Serve. If you do not meet the terms of that agreement and the TEACH Grant funds you received are converted to a Direct Unsubsidized Loan, you must repay that loan in full, and interest will be charged from the date(s) that the TEACH Grant funds were disbursed.

If your obligation to repay a loan or complete a TEACH Grant service obligation is reinstated, the Department will notify you of the reinstatement. This notification will include:

- The reason or reasons for the reinstatement;
- For loans, an explanation that the first payment due date following the reinstatement will be no earlier than 60 days following the notification of reinstatement; and
- Information on how you may contact the Department if you have questions about the reinstatement, or if you believe that your obligation to repay a loan or complete a TEACH Grant service obligation was reinstated based on incorrect information.

SECTION 7: ELIGIBILITY REQUIREMENTS TO RECEIVE FUTURE LOANS OR TEACH GRANTS

For veterans who receive a total and permanent disability discharge based on a determination by the VA that they are unemployable due to a service-connected disability:

If you are granted a **discharge** based on a determination that you are totally and permanently disabled in accordance with paragraph (2) of the definition of "total and permanent disability" in Section 5, you are not eligible to receive future loans under the FFEL, Perkins Loan, or Direct Loan programs or TEACH Grants unless:

- You obtain a certification from a physician that you are able to engage in substantial gainful activity; and
- You sign a statement acknowledging that the new loan or TEACH Grant service obligation cannot be discharged in the future on the basis of any injury or illness present at the time the new loan or TEACH Grant is made, unless your condition substantially deteriorates so that you are again totally and permanently disabled.

For all other individuals who receive a total and permanent disability discharge:

If you are granted a **discharge** based on a determination that you are totally and permanently disabled in accordance with paragraph (1) of the definition of "total and permanent disability" in Section 5, you are not eligible to receive future loans under the FFEL, Perkins Loan, or Direct Loan programs or TEACH Grants unless:

- You obtain a certification from a physician that you are able to engage in substantial gainful activity;
- You sign a statement acknowledging that the new loan or TEACH Grant service obligation cannot be discharged in the future on the basis of any injury or illness present at the time the new loan or TEACH Grant is made, unless your condition substantially deteriorates so that you are again totally and permanently disabled; and
- If you request a FFEL, Perkins Loan, or Direct Loan program loan or a new TEACH Grant within three years of the date that a previous loan or TEACH Grant was discharged, you resume payment on the previously discharged loan or acknowledge that you are once again subject to the terms of the TEACH Grant Agreement to Serve before receiving the new loan.
