This is a current list of the new required data elements that will need to be added to the electronic application for participation in the Title IV, HEA programs,(also known as the e-App) in conjunction with the regulatory changes proposed in the Team II - Foreign Schools Notice of Proposed Rulemaking (NPRM).

The exact wording and placement of these required elements on the e-App are currently under development. This list may change based on public comment, design, or other factors.

Citation	Burden Type	Required Element
600.20(a)(3)(i)(A) 600.20(b)(3)(i)(A)	e-App	List all foreign medical educational sites, including all clinical training sites (except irregular use)
