

USAID “FAITH-BASED AND COMMUNITY ORGANIZATION SURVEY”

Audience: Contacts with non-profit organizations who have previously interacted with or expressed interest in working with USAID and its CFBCI

Survey Instructions (to be included in email invitation to participate that will include the link to the online survey).

This survey is intended to better inform the U.S. Agency for International Development (USAID) and its Center for Faith-Based and Community Initiatives about the work of your organization and enable us to better engage with your organization through up-to-date organizational records. Responding to this survey is voluntary. Your response or non-response will not impact your future relationship with the Agency. The survey should take no more than 15 minutes to complete and requests information that should be readily available to you.
