Information is needed from your processing plant(s) to determine the utilization of apples and the price paid for these apples. If you have not completed processing the 2008 crop, please provide the quantity processed to date. This form will be returned to you in September 2009 for final data for the 2008 crop. An extra copy has been enclosed for your files.

Your voluntary response to this survey is needed to accurately estimate apples processed in Washington. Individual reports are kept confidential. Please return your completed questionnaire promptly.

Please make corrections to name, address, and zip code, if necessary.
