Average annual citrus fruit prices received by growers is one of the official series of statistics maintained by the Florida Agricultural Statistics Service for industry use. Response to this survey is voluntary and not required by law. However, cooperation is very important in order to estimate accurately citrus prices in Florida. Please fill in the form below regarding prices for fruit now in season, and return in the enclosed envelope which requires no stamp. Individual reports are held confidential. Thank you for your help.

Please make corrections to name, address and Zip Code, if necessary.
