**Web based survey protocol for assessing adoption and use of public health
priorities to reduce and control hypertension**

You recently received an invitation to participate in a voluntary, web-based survey from the Division for Heart Disease and Stroke Prevention at the Centers for Disease Control and Prevention requesting your ideas and opinions on the Institute of Medicine (IOM) report “**A Population-Based Policy and Systems Change Approach to Prevent and Control Hypertension.**”

This is a reminder to please complete the survey, **only if** you have not already done so. To respond to this survey please click the link below:
