

**Assessing Adoption and Use of the IOM Report
“A Population-Based Policy and Systems Change Approach to Prevent and Control Hypertension”**

ADVANCE NOTICE E-MAIL

The Division for Heart Disease and Stroke Prevention at the Centers for Disease Control and Prevention would like to invite you to participate in a voluntary, web-based survey to gather your ideas and opinions on the Institute of Medicine (IOM) report **“A Population-Based Policy and Systems Change Approach to Prevent and Control Hypertension.”** You will receive an e-mail in approximately two weeks inviting you to respond to this survey through SurveyMonkey. Responses will not be identifiable, and will only be used for program improvement. Please contact Rashon Lane at rlane@cdc.gov, if you have questions about this request.

Thank you for in advance for your willingness to participate in this project.
