

National Heart Disease and Stroke Prevention Program Survey

Assessing State Programs' Community-Clinical Linkages and Related Technical Assistance Needs

THANK YOU E-MAIL

Dear [State Heart Disease and Stroke Prevention Program Manager],

Thank you for completing the ***Assessing State Programs' Community-Clinical Linkages and Related Technical Assistance Needs*** survey. As you know, your participation allows us to conduct a more thorough and comprehensive evaluation of the CDC's National Heart Disease and Stroke Prevention program (NHDSP). We greatly appreciate your time and effort.

Please contact Dr. Curtis via e-mail: lcurtis@rti.org or phone: 770-407-4913, if you have any questions or comments about this survey.
