Web-Based Survey to Improve the Quality and Effectiveness of CDC's Technical Assistance and Resources Promoting Adoption of Institute of Medicine Hypertension Recommendations for States

INTRODUCTORY E-MAIL

The Division for Heart Disease and Stroke Prevention at the Centers for Disease Control and Prevention would like to invite you to participate in a web based survey about your experiences with the Institute of Medicine (IOM) report "**Public Health Priorities to Reduce and Control Hypertension in the U.S. Population**" published in February 2010. Battelle is conducting this survey as part of an evaluation of the DHDSP's initiatives to reduce and control hypertension. You will receive an e-mail from Ms. Rashon Lane next week inviting you to respond to this survey through SurveyMonkey. Please contact Rashon Lane at Phone: (770) 488-8036, E-mail: gvx0@cdc.gov if you have any questions about this survey or evaluation.

Thank you for in advance for your willingness to participate in this project.
