### **Web-Based Survey to Improve the Quality and Effectiveness of CDC's Technical Assistance and Resources Promoting Adoption of Institute of Medicine Hypertension Recommendations for States**

#### **INVITATION TO PARTICIPATE E-MAIL**

The Division for Heart Disease and Stroke Prevention at the Centers for Disease Control and Prevention invites you to participate in a web based survey about your experiences with the Institute of Medicine (IOM) report "**Public Health Priorities to Reduce and Control Hypertension in the U.S. Population**" published in February 2010. The survey is being administered using SurveyMonkey.

To access the survey, please click on the following link:

**INSERT SURVEYMONKEY LINK**

Please complete the survey no later than [Insert date], 2012.

If you have difficulty accessing the survey or questions about the evaluation, please contact Ms. Rashon Lane at 770-488-8036 or gv00@cdc.gov.

Thank you for in advance for your willingness to participate in this project.
