

Introduction

OMB# 0925-0046-21
Exp. Date: 2/28/2013

The National Cancer Institute's Coordinating Center for Clinical Trials (CCCT) and the [INSERT STEERING COMMITTEE NAME] would like your opinions about an NCI clinical trial they are considering for [INSERT CANCER TYPE] cancer. The trial concept trial will require patients with [INSERT ONE LINE DESCRIPTION OF PATIENT ELIGIBILITY].

We are soliciting feedback from clinical oncology researchers to learn about **their general interest** in such a trial and **any potential issues they foresee** with respect to opening and accruing to this trial should its concept be approved.

NCI has developed a **brief online survey** to quickly and easily gather your comments **anonymously**. The PDF attachment to your email invitation provides an overview of the [INSERT TRIAL NAME] trial's concept. After reviewing this brief document we ask that you **take 5 minutes** to answer this short survey.

Your feedback will help NCI and the [INSERT STEERING COMMITTEE NAME] determine if this trial concept should be approved and developed. We **thank you** for your assistance!

To continue and begin the survey, click the "Next" button below.

If you experience any technical difficulties, please contact the survey administrator at User-Centered Design at survey@user-centereddesign.com

Privacy Statement and Consent

Your participation in this survey is completely voluntary. Your participation in the survey is anonymous and your responses will never be linked or associated with you.

You may skip any questions that you prefer not to answer. You are also free to stop participating at any point during the survey and have your responses deleted by clicking the "Opt out of survey" box at the bottom of each survey page.

This brief survey should only require approximately 5 minutes of your time.

Please click the "Next" button if you consent to taking this survey.

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 208927974, ATTN: PRA (0925-0046-21). Do not return the completed form to this address.

If you experience any technical difficulties, please contact the survey administrator at User-Centered Design at survey@user-centereddesign.com

Concept Sheet

IMPORTANT:

Please review the 2-page concept sheet attached to the email you received regarding this survey.

You can open a copy of the concept sheet [here](#).
(This document will open in a new tab.)

[I have reviewed the concept sheet and am ready to begin -->](#)

If you experience any technical difficulties, please contact the survey administrator
at User-Centered Design at survey@user-centereddesign.com

Please reply to all questions from the perspective of your site.

1. Please indicate which best describes your site:

- My practice is located within an academic medical center
- My practice is located within an NCI designated cancer center
- My practice is located within a community hospital
- I/We are a free-standing private practice
- Other:

1a. What best describes the size of your community hospital compared to others?

- We are a small-size community hospital (less than 100 beds)
- We are a mid-size community hospital (between 100-250 beds)
- We are a large-size community hospital (more than 250 beds)

2. What type of oncology best describes your expertise?

- Medical oncology
- Surgical oncology
- Radiation oncology
- Gynecologic oncology
- Pediatric oncology
- Other:

[Save and Continue -->](#)

If you experience any technical difficulties, please contact the survey administrator at User-Centered Design at survey@user-centereddesign.com

3. Which specialty at your institution would initially see most of the patients potentially eligible for the [INSERT TRIAL NAME] trial (i.e., [INSERT BRIEF PATIENT ELIGIBILITY DESCRIPTION])?

- Medical oncology
- Surgical oncology
- Radiation oncology
- Gynecologic oncology
- Pediatric oncology
- Other (please specify):

4. The [INSERT TRIAL NAME] trial concept has [INSERT #] research questions. For each, Please tell us how scientifically interesting it is to you.

RQ1: [INSERT RESEARCH QUESTION #1 FROM TRIAL DESCRIPTION SHEET]?

How scientifically interesting is this research question to you?

Not at all interesting Very interesting

RQ2: [INSERT RESEARCH QUESTION #2 FROM TRIAL DESCRIPTION SHEET, IF APPLICABLE]?

How scientifically interesting is this research question to you?

Not at all interesting Very interesting

If you experience any technical difficulties, please contact the survey administrator at User-Centered Design at survey@user-centereddesign.com

5. Assuming the [INSERT TRIAL NAME] trial is developed and completed as planned, what impact do you believe the findings will have on your treatment of [INSERT CANCER TYPE] cancer patients?

Limited impact

High impact

Please elaborate on your answer:

6. Given what you read in the concept sheet summary, how interesting do you believe this trial would be to your colleagues in the community?

Not at all interesting

Very interesting

Please elaborate:

[Opt out of survey](#)

If you experience any technical difficulties, please contact the survey administrator at User-Centered Design at survey@user-centereddesign.com

7. Given what you read in the concept sheet summary, how interested would you be in opening the [INSERT TRIAL NAME] trial at your site?

Not at all interested

Very interested

7a. What are the top reasons why you would not be that interested in opening the [INSERT TRIAL NAME] trial? [Select up to 3.]

- Not scientifically interesting enough
- Does not match our patient population
- Limited interest by oncologist(s) here
- Too many competing trials for this cancer
- Too great of a burden on patients (e.g., logistics, cost)
- Too difficult to conduct the study (e.g., burden on staff, coordination required, equipment needed)
- Financial cost to our site would be too great (e.g., non-reimbursable expenses)
- Too difficult to accrue patients
- Concerns about drug availability
- Other:

7b. What are the top reasons why you might be interested in opening the [INSERT TRIAL NAME] trial? [Select up to 3.]

- Scientifically interesting research question(s)
- Fills unmet need for our current patient population
- High level of interest by oncologist(s) in the practice
- Few competing trials for this cancer
- Limited burden on patient (e.g., logistics, cost)
- Ease of doing the study (e.g., limited burden on staff or coordination, have equipment needed)
- Limited non-reimbursable expenses
- Availability of study drug(s)
- Ease in accruing to the trial
- Other:

If you experience any technical difficulties, please contact the survey administrator at User-Centered Design at survey@user-centereddesign.com

8. How difficult do you believe the [INSERT TRIAL NAME] trial would be to open at your site?

Not at all difficult

Very difficult

Five radio buttons arranged in a horizontal line for a Likert scale.

9. For each of the trial design components listed below, please tell us whether or not it would make it difficult to open or run the [INSERT TRIAL NAME] at your site.

How difficult will this requirement make it to open or run this trial at your site?	Not make it difficult to open/run the trial	Make it somewhat difficult to open/run the trial	Make it very difficult to open/run the trial
[INSERT REQUIREMENT #1 FROM DESCRIPTION SHEET]	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
[INSERT REQUIREMENT #2 FROM DESCRIPTION SHEET]	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
[INSERT REQUIREMENT #3 FROM DESCRIPTION SHEET]	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
[... INSERT THROUGH REQUIREMENT #N FROM DESCRIPTION SHEET]	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

If you experience any technical difficulties, please contact the survey administrator at User-Centered Design at survey@user-centereddesign.com

10. How often do you see a patient who may be eligible for the [INSERT TRIAL NAME] trial (i.e., [INSERT BRIEF PATIENT ELIGIBILITY DESCRIPTION])?

Dropdown menu with "--select--" and a downward arrow.

11. If your site were to open this trial, about how many patients do you believe your site could accrue to the [INSERT TRIAL NICKNAME] trial in a year?

(Number of patients - integers only)

If you experience any technical difficulties, please contact the survey administrator at User-Centered Design at survey@user-centereddesign.com

12. For each of the items below, please tell us whether or not you think it would make it difficult to accrue patients to the [INSERT TRIAL NAME] trial.

How difficult would this issue make it to accrue patients to this trial?	Not make it difficult to accrue patients to the trial	Make it somewhat difficult to accrue patients to the trial	Make it very difficult to accrue patients to the trial
Inclusion/exclusion criteria of the study	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Getting patients referred to the trial	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Patients declining to enroll (e.g., unwilling to randomize, prefer one study arm)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Burden on patient to participate in the trial (e.g., logistics, time)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Explaining the trial's details to a patient, including consenting	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Cost to the patient (e.g., insurance, reimbursement)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please tell us in the box below if there are other reasons, not listed above, that might make this trial difficult to accrue patients at your site:
