STOP ACT STATE QUESTIONNAIRE Part 1 - Enforcement

* Please Enter Your State Below:

GENERAL INSTRUCTIONS

This questionnaire represents one of several data collection efforts initiated by the Secretary of HHS pursuant to a Congressional directive found in the Sober Truth on Preventing Underage Drinking (STOP) Act, (Pub. L. No. 109-422, § 2, 120 Stat. 2890 [2006]). The Act requires the Secretary to file an annual report to Congress on the States' progress in preventing and reducing underage drinking. As stated in the STOP Act:

"The Secretary shall, with input and collaboration from other appropriate Federal agencies, States, Indian tribes, territories, and public health, consumer, and alcohol beverage industry groups, annually issue a report on each State's performance in enacting, enforcing, and creating laws, regulations, and programs to prevent or reduce underage drinking."

The Act provides a list of specific underage drinking laws and policies, details regarding their enforcement, and other programs that the Secretary should include in the annual report. Federal data sources provide some of the data requested. The questionnaire, which asks for the data requested by Congress, provides States the opportunity to participate in the process and to insure accurate and complete reporting.

PLEASE NOTE:

- 1) SAMHSA will report only the data you provide. Any question your State does not answer will be reported as "no data available."
- 2) To be included in the STOP Act report, this questionnaire must be received by SAMHSA no later than XXX.
- 3) At the end of each section of the questionnaire, you will be asked to a person whom we may contact if clarification is needed. This person will NOT BE IDENTIFIED in any reports that result from this survey.

If you have questions or comments, please contact [SAMHSA CONTACT PERSON].

Thank you in advance for your cooperation.
