## Modified Screen #2

The screenshot shows a web browser window titled "Prior Marriages - Windows Internet Explorer" with the URL "http://eis.ba.ssa.gov/appages/Claim\_May\_2010/Fam002-1.html". The page is the "Benefit Application" for "John Public" on the "Family" tab. It contains several sections: "Family Section (Page 2 of 3)", "Prior Marriages for John Public", and "Prior Marriage 1". The "Prior Marriage 1" section includes a "Remove Prior Marriage# 1 Data" button, a text area for providing information about prior marriages, and input fields for "Prior Spouse's Name" (First Name and Last Name) and "Prior Spouse's Social Security Number". A red arrow points from the "Modified language" text below to the "Prior Marriage 1" section.

### Modified language

Please provide information about the prior marriages **for which** you answered "Yes" above. List your most recent marriage first (**regardless of how long it lasted**) and work backwards. If you are not sure of the marriage date, enter your best guess and explain in the Remarks page **near the end of the application**.

This screenshot shows a different section of the "Prior Marriages" application. It includes a dropdown menu, a question "Married in United States or a U.S. Territory or Commonwealth?" with "Yes" and "No" radio buttons, and another question "Marriage ended in United States or a U.S. Territory or Commonwealth?" with "Yes" and "No" radio buttons. Below these are fields for "Date Marriage Ended" (Month, Day, Year) and a dropdown for "How did the marriage end?". A red arrow points from the "Modified language" text below to the question "Did you have any prior marriage that lasted at least 10 years, or any prior marriages that ended due to your spouse's death?".

### Modified language

Did you have any **other** prior marriage that lasted at least 10 years, or any **other** prior marriages that ended due to your spouse's death?

#### When to Start Benefits for Jane Public

It's your choice when to start benefits. The earlier the date you start your benefits, the smaller your benefit. The later the date you start to receive benefits, the larger your benefit. This is an important decision, with several factors to consider before you choose the month your benefits should start. [More Info](#)

If you have filed for, or are currently receiving, Supplemental Security Income (SSI), you must select the earliest possible month that you are eligible for benefits. An SSI recipient is required to pursue all other benefits when first eligible.

We have an estimator that can show you what your benefit amount will be under various scenarios. You may wish to end this session and go there now. You will be able to return and continue where you left off. The information you have already entered will be saved.

We need to know when you want to start benefits.

**Do you want benefits to start in 06/2010?**
