

## SENTRY Public Map Requirements

#	Short Title	Description	Comments	Application
1	Map Button	The SENTRY page on the NDIC WWW website will display an icon of the SENTRY GIS map which will be a button to enter the SENTRY Public Map.	No requirement for the map icon to be "live," i.e. it will not update in real time. Instead, SDU will periodically provide ISB an updated snapshot of the GIS Map for use in updating the map button icon. NOTE: this issue must be coordinated with ISB as there may be problems with using the map as an icon on the WWW site.	NDIC's WWW public facing website. This requirement will be fulfilled by ISB, although SDU will provide the screen print for the icon.
2	Do Not Display Certain Fields	The following fields will not be displayed in the dropdown on the Public Map: Tracking Number; Zip Code; City; Organization; Incident Outcome.		SENTRY Public Map
3	Do Not Display Organization	The "Organization" field will not be displayed in the dropdown on the Public Facing Map.		SENTRY Public Map
4	Remove SENTRY Submission Heading.	Remove the "(SENTRY Submissions)" heading from the dropdown.		SENTRY Public Map and SENTRY External
5	"Public Description" field.	A third Description field will be added to the SENTRY Internal site. This field will contain the Submission Description that will be presented on the SENTRY Public Map.	This will require a change to SENTRY Version 1.2. The third description field will be titled: Public Description.	SENTRY Public Map and SENTRY External
6	"Public Description" Display.	The SENTRY Public Map will display the "Public Description" field in the dropdown.		SENTRY Public Map
7	Drop Down Field Names	Move field names in the dropdown to the top of the field.	Field names are currently centered vertically, which can cause them to not be visible in a lengthy field.	SENTRY Public Map and SENTRY External
8	Change "Disclaimer"	Change the Disclaimer box on the SENTRY Public Map to a "Getting Started" box.	In the Getting Started box, change "dots" to "color-coded points" [No quotation marks]	SENTRY Public Map
