Submit Information: For voluntary reporting of an event or incident

Complete the following fields and click the **Submit Information Now** button. Required fields are denoted with an asterisk (*) and must be completed in order to submit.

IMPORTANT: Due to security requirements, once logged into SENTRY, your session will expire after 20 minutes of inactivity. Therefore, it is suggested that you compose a description of the event/incident prior to completing the Submit Information page to ensure that you have time to complete the form within 20 minutes. You cannot save information and return at a later time to complete and submit it.
