ALL FIELDS REQUIRED

Paperwork Reduction Act Notice - A person is not required to respond to a collection of information unless it displays a valid OMB control number. The SENTRY user registration form is the first step toward the collection of information related to emerging issues related to the abuse, availability, transportation, and/or distribution of synthetic drugs such as LSD (lysergic acid diethylamide), MDMA (3,4-methylenedioxyamphetamine, also known as ecstasy), and methamphetamine. SENTRY also is intended to monitor prescription drugs, over-the-counter medications, botanical substances and extracts, and chemicals and products involved in the manufacturing of synthetic drugs. The information requested is voluntary.

The estimated average burden associated with completing the user registration form is 5 minutes. Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be directed to the Collection Management Group, National Drug Intelligence Center, 319 Washington Street, 5th Floor, Johnstown, PA 15901, or at (800) 624-4958.
