The election is not available to a corporation, partnership, or tax shelter that is required to use the accrual method of accounting under section 447 or section 448(a)(3), or farming syndicates (as defined in section 464(c)), or with respect to the planting, cultivation, maintenance or development of pistachio trees. In addition, the election does not apply with respect to costs incurred for the planting, cultivation, maintenance or development of any citrus or almond grove incurred during the 4-taxable-year period beginning with the taxable year in which such grove was planted. If a citrus or almond grove is planted in more than one taxable year, the portion of the grove planted in one taxable year is treated as a separate grove for this purpose.

(2) *Time and manner of making the election.* Unless consent is obtained

from the Commissioner, the election may only be made for the taxpayer's first taxable year that begins after December 31, 1986, and during which the taxpayer engages in a farming business. The election shall be made on the Schedule E, F or other schedule required to be attached to the income tax return for the first taxable year for which the election is effective. In the case of a partnership or S corporation, the election must be made at the partner or shareholder level.

(3) *Election treated as if made if certain requirements satisfied.* A taxpayer eligible to make the election under section 263A(d)(3) shall be treated as having made the election if such taxpayer reports income and expense in accordance with the rules under the election on a timely filed income tax return.

(4) *Revocation.* Once the election is made it is revocable only with the consent of the Commissioner.

(5) *Special rules for treatment of expenses.* If the election is made, the plant or animal produced is treated as section 1245 property and gain is recaptured (treated as ordinary income) in the amount of deductions which, but for the election, would have been required to be capitalized with respect to the plant or animal. If the taxpayer or a related person makes the election, a non-accelerated method of depreciation (as defined in section 168(g)(2)) shall be applied to all property used predominantly in any farming business of the taxpayer or related person and placed in service in any taxable year during which the election is in effect. For purposes of this election, related party means: (i) the members of the taxpayer's family (defined for this purpose to include the spouse of the taxpayer and any of his or her children who have not reached the age of 18 as of the last day of the taxable year); (ii) any corporation (including an S corporation) 50 percent or more of the value of which is owned directly or indirectly (through the application of section 318) by the taxpayer or members of the taxpayer's family; (iii) any corporation that is a member of the same controlled group (within the meaning of section 1563) as the taxpayer; and (iv) any partnership if 50 percent or more of the value of the interests in such partnership is owned directly or indirectly (through the application of section 318) by the taxpayer or members of the taxpayer's family.

(d) *Election with respect to the treatment of net income for the short taxable year resulting from a required change in accounting period.* This paragraph applies to the election under

section 806(e)(2)(C) of the Act. Net income for the short taxable year resulting from a required change in accounting period under the provisions of section 806 of the Act which is to be included ratably in the partners' and S corporation shareholders' income for the first four taxable years (including the short taxable year) beginning after December 31, 1986, or included entirely in income for the short taxable year at the election of the partner or shareholder, shall be taken into account in accordance with section 702 (with respect to partners) and section 1366 (with respect to S corporation shareholders).

(e) *Election with respect to reducing partnership or S corporation income for the short taxable year resulting from a required change in accounting period under section 806 of the Act by an unamortized adjustment amount existing as of October 22, 1986.*—(1) *In general.* This paragraph applies to the election described in H.R. Rep. No. 90-841 at 11-320.

(2) *Partnerships or S corporations that make the election to reduce income for the short taxable year by an unamortized adjustment amount existing as of October 22, 1986.* Where a partnership or S corporation elects to reduce its income for the short taxable year required under the provisions of section 806 of the Act by the unamortized adjustment amount existing as of October 22, 1986, in accordance with paragraph (a) of this section, the income for the short taxable year (reduced by the unamortized adjustment amount) may then be subject to the election under section 806(e)(2)(C) of the Act, by partners and S corporation shareholders to include all the net income for the short taxable year entirely in income for the partners' or shareholders' taxable year with or within which the short taxable year ends.

(3) *Partnership or S corporations that do not make the election to reduce income for the short taxable year by an unamortized adjustment amount existing as of October 22, 1986.* Where a partnership or S corporation does not elect to reduce its income for the short taxable year created by the provisions of section 806 of the Act by the unamortized adjustment amount existing as of October 22, 1986, as provided in paragraph (a) of this section, the short taxable year required under the provisions of section 806 of the Act shall be considered one taxable year for purposes of amortizing the adjustment amount under the requirements of Rev. Proc. 72-51, 1972-2 C.B. 832, or Rev. Proc. 83-25, 1983-1 C.B. 689. The net

income of the partnership or S corporation after reduction by the adjustment amount for the short taxable year may then be subject to the election under section 806(e)(2)(C) of the Act by partners or S corporation shareholders to include all the net income for the short taxable year entirely in income for the partners' or shareholders' taxable year with or within which the short taxable year of the partnership or S corporation ends.

(f) *Election with respect to the treatment of certain losses in insolvent financial institutions.*—(1) *In general.* This paragraph applies to the election under Act section 965(a) (Code section 165(l)(1)). If—

(i) As of the close of the taxable year, it can reasonably be estimated that there is a loss on a deposit of a qualified individual (as defined in section 165(l)(2)) in a qualified financial institution (as defined in section 165(l)(3)), and

(ii) Such loss is on account of the bankruptcy or insolvency of such institution,

then the qualified individual may elect to treat the entire amount so estimated for that taxable year (disregarding any amount treated as a casualty loss under section 165(c)(3) in a previous taxable year) as a loss under section 165(l)(1) described in section 165(c)(3) and incurred during the taxable year. The election shall apply to all losses of the qualified individual on deposits in the institution with respect to which an election is made, and section 166 (relating to bad debts) shall not apply to any loss with respect to which an election is made.

(2) *Time and manner of making the election.* The election may be made by claiming such loss on the tax return for any taxable year in which a reasonable estimate of such loss can be made. If the qualified individual does not claim such loss on the tax return for that taxable year, the qualified individual may not subsequently amend the tax return for that taxable year to claim such loss for that taxable year. However, for a tax return filed with respect to a taxable year beginning after December 31, 1982, but before January 1, 1986, the qualified individual may subsequently (before the expiration of the period prescribed for filing a claim for credit or refund) amend the tax return for that taxable year to claim such loss for that taxable year.

(3) *Revocability of the election.* This election may be revoked only with the consent of the Commissioner.

(g) *Elections with respect to certain bonds.* The elections under Act section 1301(b) (Code sections 791(b)(9), 142(d)(1), 142(d)(4)(B), 143(k)(9)(D)(iii),

145(d), and 147(b)(4)(A)) must be made in the § 5h.5 (g) bond indenture or a related document (as defined in § 1.103-13(b)(8)) on or before the date of issue. With respect to obligations issued on or before March 9, 1987 these elections must be made on or before March 9, 1987 and need not be made in the bond indenture or a related document, but must be made in writing and retained as part of the issuer's books and records.

(h) *Revocation of the election for exemption from social security taxes by certain clergy*—(1) *In general.* This paragraph applies to the election under Act section 1704(b) to revoke an election under section 1402(e)(1) of the Code by a duly ordained, commissioned, or licensed minister of a church, a member of a religious order (other than a member of a religious order who has taken a vow of poverty as a member of such order), or a Christian Science practitioner. Only elections which are effective for the taxable year containing October 22, 1986 may be revoked under this paragraph.

(2) *Time for revoking the election.* The election shall be revoked by filing Form 2031 before the date on which the individual becomes entitled to benefits under sections 202(a) or 223 of the Social Security Act (without regard to sections 202(j)(1) or 223(b) of such Act), and not later than the due date of the Federal income tax return (including any extension thereof) for the individual's first taxable year beginning after October 22, 1986.

(3) *Manner of revoking the election.* To revoke an election under section 1402(e)(1), the individual shall file Form 2031 in accordance with the instructions accompanying that form. The revocation shall be made effective, as designated by the individual on the form, either with respect to the individual's first taxable year beginning after October 22, 1986.

(4) *Special rules for payment of self-employment taxes with respect to certain taxable years ending on or after October 22, 1986*—(i) *Elections filed after the due date of the Federal income tax return.* In Form 2031 is filed on or after the due date of the Federal income tax return (including any extension thereof) for the individual's first taxable year ending on or after October 22, 1986, and the election made therein is effective with respect to that taxable year, Form 2031 shall be accompanied by an amended Federal income tax return for such taxable year together with payment in full of an amount equal to the total of the taxes that would have been imposed by section 1401 of the Code with respect to all of the individual's income derived in that

taxable year which would have constituted net earnings from self-employment for purposes of chapter 2 of subtitle A of the Code (notwithstanding paragraph (4) or (5) of section 1402(c)) but for the exemption under section 1402(e)(1).

(ii) *Elections filed before the due date of the Federal income tax return.* If Form 2031 is filed before the due date of the Federal income tax return (including any extension thereof) for the individual's first taxable year ending on or after October 22, 1986, and the election is effective with respect to that taxable year, payment in full of an amount equal to the total of the taxes that would have been imposed by section 1401 of the Code with respect to all of the individual's income derived in that taxable year which would have constituted net earnings from self-employment for purposes of chapter 2 of the subtitle A of the Code (notwithstanding paragraph (4) or (5) of section 1402(c)) but for the exemption under section 1402(e)(1) shall be made:

(A) In the case of Forms 2031 that are filed on or before the date on which the individual's Federal income tax return for such first taxable year is filed, with the individual's Federal income tax return for such taxable year; and

(B) In the case of Forms 2031 that are filed after the date on which the individual's Federal income tax return for such first taxable year is filed, with an amended Federal income tax return for that taxable year filed on or before the due date for the individual's Federal income tax return (including any extension thereof) for such taxable year.

(iii) *Interest on amounts paid after the due date of the Federal income tax return.* If any amount of tax imposed by section 1401 for an individual's taxable year with respect to which an election under this paragraph (h) is effective is paid after the due date of the individual's Federal income tax return (without regard to extensions) for such taxable year, interest will be assessed on such tax from the due date of such return (without regard to extensions) to the date on which such tax is paid.

(5) *Revocability of the revocation of the election.* Once having filed Form 2031, the individual may not thereafter file an application for an exemption under section 1402(e)(1).

(6) *Effective date of this provision.* This provision shall apply with respect to remuneration received in the taxable years for which the individual designates the revocation to be effective, as described in paragraph (h)(3) of this section, and with respect to monthly insurance benefits payable under title II of the Social Security Act

on the basis of the wages and self-employment income of any individual for months in or after the calendar year in which such individual's application for revocation is effective (and lump-sum death payments payable under such title on the basis of such wages and self-employment income in the case of deaths occurring in or after such calendar year).

(i) *Revocation of the election for exemption from social security taxes by certain churches on qualified church-controlled organizations*—(1) *In general.* This paragraph applies to the election under Act section 1882 (Code section 3121 (w)(2)) to revoke an election under section 3121(w) by a church or qualified church-controlled organization (as defined in section 3121(w)(3)).

(2) *Time and manner of revoking the election.* The revocation described in this paragraph (i) shall be made by filing a Form 941 on or before the due date for filing Form 941 (without regard to extensions) for the first quarter for which the revocation is to be effective, accompanied by payment in full of the taxes that would be due for that quarter had there been no election under section 3121(w). See paragraph (i)(4) of this section for the effective date of revocation made under this paragraph (i).

(3) *Revocability of the revocation of the election.* Once an election under section 3121(w) is revoked under this paragraph (i), a new election under section 3121(w) may not be made.

(4) *Effective date of this paragraph.* A revocation made under this paragraph (5) shall be effective for the quarter of the calendar year covered by the Form 941 on which the revocation is made in accordance with paragraph (i)(2) of this section and all subsequent quarters. However, no revocation shall be effective prior to January 1, 1987 unless such electing church or church-controlled organization had withheld and paid over all employment taxes due, as if such election had never been in effect, during the period from the effective date of the election being revoked through December 31, 1986.

(j) *Additional information required.* Later regulations or revenue procedures issued under provisions of the Code or Act covered by this section may require the furnishing of information in addition to that which was furnished with the statement of election described in this section. In such event, the later regulations or revenue procedures will provide guidance with respect to the furnishing of such additional information. (26 U.S.C. 7805).
