**THE U.S. DEPARTMENT OF EDUCATION**

Titles III and V programs authorized by the Higher Education Act of 1965 (HEA), as amended, provide discretionary and formula grants to approximately 40 percent of eligible institutions of higher education and organizations (MSEIP-Title III, E only) to support improvements in educational quality, institutional management and fiscal stability. The office of Institutional Development and Undergraduate Education Services (IDUES) is authorized to award one year planning grants and five-year development grants and collect key data, analyze, report, and evaluate grantee and Program performance and outcomes. Grantees submit a yearly performance report to demonstrate that substantial progress is being made towards meeting the objectives of their project and first year grantees submit an interim (six month) report as well.
