## Enrollment to Participate in the U.S. Department of Education's Student Aid Internet Gateway (SAIG)

The *Student Aid Internet Gateway (SAIG)* was established to allow a variety of entities that participate in the Title IV programs to exchange data electronically with the *U.S. Department of Education (ED, Department)*. In order to participate in the SAIG, each entity must enroll for access. The enrollment process will enable you to establish your Organization with services to receive, submit, view, and update student financial aid data online and by batch using *EDconnect* or *TDClient* software.

Each entity has an individual designated as the *Primary Destination Point Administrator (Primary DPA)* and *Primary Destination Point (TG Number/Mailbox)*. The Primary DPA is the only person within the organization who may enroll other staff as Non-Primary DPAs with *Destination Points* assigned for specific SAIG services. Upon completing the enrollment process, the Primary DPA can add or remove users, edit information about the entity, or change the entity's enrollment in various SAIG services.

As required for eligibility to access Federal Student Aid Systems, the Primary DPA must validate the individuals enrolled for SAIG Mailbox and online services for your organization on a schedule determined by ED. If validation is not completed via the SAIG Enrollment web site within the prescribed timeframe, all services assigned to the organization and individuals could be permanently inactivated.

### Notes About This Document

“We” and “us” refer to the U.S. Department of Education (ED, Department). “You” and “your” refer to the Primary DPA of the organization applying to participate in ED's Student Aid Internet Gateway, referred to as the SAIG.

The first usage of a term in this document is *italicized* and can be found in the glossary at the end of this form. This glossary will assist you in understanding many technical terms and acronyms commonly used in the Title IV student financial aid programs.

### Available Services

By completing this application, you will be enrolling an individual as the *Primary Destination Point Administrator (Primary DPA)* who will be responsible for the administration of services assigned to the school's primary Destination Point (TG Number/Mailbox). Enrollment is designed to secure the integrity of data that is exchanged between you and the many ED systems accessed over the SAIG or online. These systems include the *Central Processing System (CPS)*, the *Common Origination and Disbursement (COD) System*, the *National Student Loan Data System (NSLDS)*, the *electronic Campus-Based (eCB) Programs* systems, the *Financial Management System (FMS)*, the *Debt Management Collection System (DMCS)*, the *Conditional Disability Discharge Program (CDD)*, the *Direct Loan Servicing System (DLSS)*, and *FAA Access to CPS Online*.

Before completing the application you should determine, based on the systems that your organization must access, the programs or services that your organization needs to participate in, the appropriate people who need to use those services, and the number of Destination Points (TG Number/Mailboxes) required. The Primary DPA is responsible for enrolling additional Non-Primary DPAs for specific SAIG services assigned to their Destination Points (TG Number/Mailboxes).

The services that can be accessed over the SAIG are:

1. Central Processing System (CPS), Submission of Application (FAFSA) Data: *Free Application for Federal Student Aid (FAFSA)* application data, including corrections, can be entered and submitted over the SAIG. Processed student application data is reported to institutions on the *Institutional Student Information Record (ISIR)*. To enroll a DPA with access to these services, complete Step One; Step Two, Question 5; Step Three; and Step Four. Note: only one Destination Point (TG Number/Mailbox) can be used to exchange data with **each** of the CPS applicant data functions (corrections, ISIRs), except in the case of initial FAFSA applicant data. For the submission of initial FAFSA applicant data, two Destination Points are permitted. See table below.
2. Federal Grant Services: All participants in the *Federal Pell Grant (Pell Grant) Program*, the *Iraq Afghanistan Service Grant* program, the *Academic Competitiveness Grant (ACG)* program, the *National Science and Mathematics Access to Retain Talent Grant (National SMART Grant)* program, and the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program must transmit origination and disbursement data over the SAIG to the Common Origination and Disbursement (COD) system. To enroll for this service, complete Step One; Step Two, Question 7; Step Three; and Step Four.
3. Federal Direct Loan (Direct Loan) Program: The Common Origination and Disbursement (COD) system also allows Direct Loan program origination, disbursement, and other required reporting information to be exchanged electronically through the SAIG. To enroll for this service, complete Step One; Step Two, Question 6; Step Three; and Step Four.

4. electronic Campus-Based (eCB) Programs systems: The eCB Programs systems include Federal Work-Study (FWS), the Federal Supplemental Educational Opportunity Grant (FSEOG), and the Federal Perkins Loan program. The application method for enrolling and participating in one or all of the eCB programs is the *Fiscal Operations Report and Application to Participate (FISAP)*. The annual submission deadline for the FISAP is October 1. To enroll for this service, complete Step One; Step Two, Question 8; Step Three; and Step Four.
5. National Student Loan Data System (NSLDS): NSLDS is a national database that collects and maintains individual student data for all Title IV student loan borrowers and grant recipients. All institutions that participate in the Title IV student financial aid programs must have at least one Destination Point (TG Number/Mailbox) for NSLDS services that includes the online *Enrollment Reporting* (formerly SSCR) function for updating student enrollment data, *Transfer Student Monitoring (TSM)*, overpayment update, and batch services for *Cohort Default Rate (eCDR)*. You may also request online NSLDS access to view and update Title IV loan, grant, and enrollment history information. To enroll a DPA with a Destination Point for these services:
  - Postsecondary Educational Institutions and Institutional Servicers must complete Step One; Step Two, Section 1, Questions 9, 10, and 11; Step Three; and Step Four.
  - FFELP Guaranty Agencies and Guaranty Agency Servicers must complete Step One; Step Two, Section 2, Questions 16 and 17; Step Three; and Step Four.
  - FFELP Lenders and Lender Servicers must complete Step One; Step Two, Section 3, Question 19; Step Three; and Step Four.
6. Financial Management System (FMS): The Lender Reporting System (LaRS) allows FFEL Program lenders or their servicers the option of sending financial reporting information to *Federal Student Aid's* Financial Management System (FMS) using their SAIG mailbox. To enroll for this service, complete Step One; Step Two, Section 3, Question 18; Step Three; and Step Four. The Guaranty Agency Financial Reporting (GAFR) allows Guaranty Agencies the option of sending financial reporting information to *Federal Student Aid's* Financial Management System (FMS) using their SAIG mailbox. To enroll for this service, complete Step One; Step Two, Section 3, Question 15; Step Three; and Step Four.
7. Direct Loan Servicing System (DLSS): The Direct Loan Borrower Delinquency Report is sent monthly to all Direct Loan institutions enrolled with the Student Aid Internet Gateway. It contains a list of delinquent/defaulted Direct Loans administered by the specified institution. Guaranty Agencies that want to enroll for Borrower Services must complete Step One; Step Two, Section 2, Question 14; Step Three; and Step Four.
8. Debt Management Collection System (DMCS): The Debt Management Collection System (DMCS) houses all Federal Student Aid held default debt. This includes FFELP loans assigned from Guaranty Agencies, Program Overpayments, Perkins loans assigned from schools, and all the Direct Loan program defaults. The system also interfaces with other government agencies such as Treasury for the Treasury Offset Program (TOP), Health and Human Services for access to CAIVERS and the National Database of New Hires (NDNH). To enroll for this service, complete Step One; Step Two, Question 12; Step Three; and Step Four.
9. Conditional Disability Discharge (CDD) Program: The Conditional Disability Discharge (CDD) Program was created to support the regulatory requirement to track borrower claims for total and permanent disability discharge for three years. The regulations require monitoring of income and loan status for a period of three years after certification of disability by a physician. Borrowers determined to be ineligible after the three-year period will be returned to active servicing status. However, if the borrower still meets the eligibility criteria at the end of this period, final discharge of student loan is granted. Guaranty Agencies that want to enroll for Borrower Services must complete Step One; Step Two, Section 2, Question 14; Step Three; and Step Four.

## How the Enrollment Process Works

When the Primary DPA enrolls a Non-Primary DPA for a Destination Point, a “TG” number will be assigned that identifies the new DPA’s Destination Point (Mailbox) on the SAIG. The TG number will be sent to the new DPA upon successful processing of the enrollment form.

The Primary DPA may enroll more than one Non-Primary DPA with a separate Destination Point (TG Number/Mailbox) for each service or function, or choose to combine all non-NSLDS Online services and functions through a single Destination Point (TG Number/Mailbox). The number of Destination Points allowed per institution for each function is provided in the following table:

| Services  | Number of Destination Points allowed per institution |
|---|--|
| Central Processing System (CPS), Submission of Application (FAFSA) Data   | Two  |
| CPS, All Other Functions/Types  | One  |
| Grant Services for Pell Grant, Iraq Afghanistan Service Grant, Academic Competitiveness Grant (ACG), National Science and Mathematics Access to Retain Talent Grant (National SMART Grant) and the Teacher Education Assistance for College and Higher Education (TEACH) Grant Processing/Batch Files | One  |
| Direct Loan Program (All)   | One  |
| electronic Campus-Based (eCB) Programs systems, FISAP   | One  |
| FFELP and Direct Loan Cohort Default Rate Packages, Batch   | One  |
| National Student Loan Data System (NSLDS) Batch Files   | One  |
| NSLDS Online  | No Limit   |
| Financial Management System (FMS), Lender Reporting System (LaRS) and Guaranty Agency Financial Reporting (GAFR)  | One  |

The Primary DPA will determine the EDconnect and TDClient users who are allowed access to that Destination Point (TG Number/Mailbox). The Primary DPA must enforce the security requirements as outlined in the Federal Student Aid User Statement (see Attachment B). The organization’s President/CEO, the equivalent, or designee must certify that the Primary DPA has developed secure procedures in compliance with the security requirements for permitting other people to use his or her Destination Point (TG Number/Mailbox) (see Step Four). The Primary DPA also must complete a Federal Student Aid User Statement for each user that is assigned a User ID within the EDconnect and TDClient software, which is used to connect to the SAIG.

To complete the SAIG enrollment application, you may need the following information:

- Currently enrolled organizations will need their existing Primary Destination Point (TG Number/Mailbox) and the name of the Primary DPA. An FSA User ID and password are required to access enrollment information. To obtain an FSA User ID, go to <https://www.fsawebenroll.ed.gov/PMEnroll/PMAccountServlet.jrun>, provide identifying information, and follow the remaining registration steps. Once you have completed the registration process, including establishing your password, your FSA User ID will be e-mailed to you.
- Postsecondary institutions will need their OPE-ID number. If your school participates in the Grant Services and/or Direct Loan Program, you will also need the institution's Federal School Code and/or Direct Loan Program code. To find these numbers, look at the reports your school has submitted for these programs in the past, such as your organization's Eligibility and Certification Report (ECAR), and Program Participation Agreement (PPA). You can also call ED's School Eligibility Channel at 1-202-377-4277.
- Guaranty agencies will need the Guaranty Agency (GA) code number assigned by ED. A list of active and inactive GA codes is contained in the instructions for the Guaranty Agency Financial Report -- Form 2000 accessible at <http://www.fp.ed.gov>.
- Lenders and Servicers will need the Lender ID (LID) or Lender/Servicer ID number assigned by ED. Participating lenders will find their Lender ID numbers on the Lender Application Process or LaRS forms accessible at <http://www.fp.ed.gov>.
- All entities will need the name, address, *Social Security Number (SSN)*, date of birth, and mother's maiden name for each DPA.

Once we receive all necessary signatures, we will process your enrollment. If your enrollment was for a new TG number, we will send your SAIG TG number to you. If your enrollment was for NSLDS Online and access is granted, the User ID will be sent to you from NSLDS.

Note: If you want to cancel the enrollment of any DPAs, send a letter on organization letterhead identifying the TG numbers that you want cancelled. The letter should be mailed to CPS/SAIG Technical Support, 2450 Oakdale Blvd., Coralville, IA 52241. You may also cancel online at <http://www.fsawebenroll.ed.gov>.

## Instructions for Completing Enrollment

## Step Two

- Postsecondary educational institutions and institutional third-party servicers go to Step Two, Section 1 for instructions.
- FFELP guaranty agencies and guaranty agency servicers go to Step Two, Section 2 for instructions.
- Title IV Additional Servicers (TIVAS) go to Step Two, Section 2 for instructions.
- FFELP lenders and lender servicers go to Step Two, Section 3 for instructions.

### Step Two, Section 1 is for Postsecondary Educational Institutions and Institutional Servicers only

In Section 1 you will choose the services for which your institution requires enrollment.

5. A. If the DPA you are enrolling or for whom you are adding or changing services will be sending and receiving student applicant data (FAFSAs and ISIRs), complete all required information including the Federal School Code. If this enrollment is for a DPA that will not be involved in CPS applicant data transmissions, go to Question 6.  
B. Check the boxes for the *award year(s)* this DPA should receive the applicant data you check in Question 5-C.  
C. Check the boxes for the CPS applicant data function you want this DPA to receive and submit. If you are completing this form to update or change services for an enrolled DPA, provide the TG number of the Destination Point already assigned to this DPA.  
D. Choose the preferred delivery option for ISIRs, if ISIRs are selected in Question 5-C. Postsecondary institutions can choose whether to receive ISIRs on a daily basis or by request. Daily receipt is the default ISIR delivery method. If you choose “by request,” you must request ISIRs from the *ISIR Datamart*. The ISIRs are then sent to your Destination Point (TG Number/Mailbox) through the SAIG. With either option, you can request a single ISIR or a specified group of ISIRs at any time.  
E. If your school uses a third-party servicer to submit batch files to CPS, but also wishes to access CPS Online tools (such as FAA Access to CPS Online and Return of Title IV Funds [R2T4] on the Web), check the Yes box to designate yourself as the Destination Point (TG Number/Mailbox) for CPS Online services for the school selected. Note: ONLY select this option if your institution utilizes a third-party servicer to submit batch services to CPS, and you want access to CPS Online tools such as FAA Access to CPS Online and Return to Title IV. If you need access for additional financial aid staff for CPS Online tools, you may enroll them under Enroll FAA Users for Online Services at <http://www.fsawebenroll.ed.gov>.
6. If your organization participates in the Direct Loan Program and the DPA identified in Question 4 will be assigned to submit and receive Direct Loan Program data, identify the years that the DPA in Question 4 will need to access Direct Loan data. Also, provide the school’s Direct Loan code. If the DPA is already enrolled and you are only updating information for that DPA, provide the TG number for that DPA’s Destination Point (TG Number/Mailbox).
7. If you want this Destination Point (TG Number/Mailbox) to receive and submit Grant Services (Pell, Iraq Afghanistan Service Grant, ACG, SMART, and TEACH\*) Payment data, then complete Question 7. \*Note: If your institution is a two- or four-year, degree-granting institution, you will submit and receive payment data under the Grant Services enrollment. No separate enrollment for Iraq Afghanistan Service Grant, ACG, National SMART Grant, or TEACH Grant is needed.
8. If you participate or expect to participate in the Federal Work-Study, Federal Supplemental Educational Opportunity Grant (FSEOG), and/or Federal Perkins Loan program(s), **and** the DPA for whom you are completing this enrollment form will be administering the Destination Point (TG Number/Mailbox) for the FISAP, complete Question 8. Otherwise, go to Question 9.

If you currently participate in any of the eCB programs, provide your Title IV OPE-ID number. You will find the OPE-ID number on your most recent FISAP report. Next, provide the TG number of the Destination Point

Fill in the name of the school. If the address of the school has not already been provided in Question 4, provide all the requested address information.

NOTE: All DPAs enrolled for any of the eCB Programs systems must also register online for access to the eCB Programs systems and establish an FSA User ID and password. To obtain an FSA User ID, go to <https://cbfisap.ed.gov>, click on the "Login" button and select "eCB Registration", provide identifying information, and follow the remaining registration steps. Once you have completed the registration process, including establishing your password, your FSA User ID will be e-mailed to you.

The Primary DPA is responsible for approving other users who wish to access your institution's data on the eCB Programs systems. You will receive an e-mail when a school user attempts to register for access to your institution's data. To review and process the access request, log in to <https://cbfisap.ed.gov>.

9. A. As the Primary DPA, you must identify the DPA enrolling to receive batch file data from NSLDS, complete Question 9.
- B. In Question 9-B, check the boxes for the batch files you want this DPA to receive. If this DPA already has a Destination Point (TG Number/Mailbox), provide the TG number here. Provide the date on which this DPA will begin responsibility for the sending or receiving of NSLDS data. Indicate whether this DPA's Destination Point (TG Number/Mailbox) will receive Transfer Student Monitoring data, Enrollment Reporting files (formerly SSCR), and/or Federal Perkins Loan data. Select Transfer Student Monitoring if you want the DPA to send and receive Financial Aid History/Transfer Student Monitoring data.
10. As the Primary DPA, you must identify the DPA you want to enroll for electronic Cohort Default Rate Notification packages (eligibility letter and loan record detail report) from NSLDS. Your main campus (OPE-ID ending in '00') must sign up for this service.
11. As the Primary DPA, you must identify the DPA you want to enroll for online access to student data available on NSLDS, check the boxes to indicate the specific information type(s) for this DPA to access.

If this DPA will access information for a school as its third-party servicer, provide the school's name and OPE-ID number. **NOTE: Authorizing Officials' signatures (Step Four) are required from both the school and the third-party servicer before access will be granted.**

12. If your organization participates in the Direct Loan Program and the DPA identified in Question 4 will be assigned to receive the Direct Loan Borrower Delinquency Report, provide the school's Direct Loan code. If the DPA is already enrolled and you are only updating information for that DPA, provide the TG number for that DPA's Destination Point.

### **Step Three – must be completed by all applicants**

Step Three collects the required agreements from the DPA identified in Step One.

Each DPA must read and sign this statement.

The original signature form must be attached to your completed enrollment form and submitted to **CPS/SAIG Technical Support, 2450 Oakdale Blvd., Coralville, Iowa 52241.**

A copy of each signed and dated statement must be maintained by your organization. When we receive all necessary signatures from you, we will process your enrollment. If your enrollment was for a new TG number, we will send your SAIG TG number to you.

## **Step Three: Responsibilities of the Primary and Non-Primary Destination Point Administrators**

**Each Destination Point Administrator (DPA) must read, sign, and submit this statement (with original signatures) and must keep a copy for the organization's records.**

### **1. Responsibilities of the Primary Destination Point Administrator (Primary DPA) and the Non-Primary DPA:**

- Must ensure that SAIG computing resources are used only for official government business.
- Must ensure that a substantially established relationship with the applicant is in place (e.g., the applicant has applied for admission to the institution, the applicant has included the institution on the FAFSA, the lender holds a loan for the borrower, or the applicant applied for a loan with the lender) before accessing Federal Student Aid systems.
- Must maintain a profile within the EDconnect software, unless the organization uses TDClient. (See the EDconnect Help Text for instructions on how to create and maintain these profiles. See Attachment B of the SAIG Enrollment Form for the User Statement.)
- Only the DPA listed in Step One, Question 4, page 13 and referenced in Question 11, page 17; Question 17, page 20; and Question 19, page 21 is permitted to use the National Student Loan Data System (NSLDS).
- Must use software provided by the Department to monitor SAIG mailbox activity. This software will keep track of who is using the Destination Point (TG Number/Mailbox), what information is being used, the date and time, and the batch number (if applicable).
- By applying for access to Federal Student Aid systems, must consent to monitoring, recording, and auditing, and acknowledge that information gained in this manner may be disclosed by the Department to an appropriate third party (e.g., law enforcement personnel).
- Must ensure that all Federal Student Aid applicant information is protected from access by or disclosure to unauthorized personnel.
- Must ensure that password sharing, the sharing of system access, and the use of any tools that allow access to FSA systems are strictly prohibited. (These tools are called "authenticators.")
- Must ensure that access is provided only to systems, networks, data, control information, and software for which the DPA is authorized.
- Must ensure that procedures for sanitizing stored information are followed (e.g., overwriting disks that contain sensitive information before reuse).
- The Non-Primary DPA must inform the organizations Primary DPA when access to a Federal Student Aid system is no longer required (i.e. the individual is leaving a position or his or her job responsibilities have changed).

### **2. Additional Requirements of the Primary Destination Point Administrator (Primary DPA):**

- Must ensure that all users, whether DPAs or other authorized users, are aware of and are in compliance with all of the requirements of a DPA.
- As required for eligibility to access Federal student Aid Systems, the Primary DPA must validate the individuals enrolled for SAIG Mailbox and online services for your organization on a schedule determined by ED. If validation is not completed via the SAIG Enrollment web site within the prescribed timeframe, all services assigned to the organization and individuals could be permanently inactivated
- Must maintain copies of all SAIG enrollment documents submitted to the Department, including the signed "Responsibilities of the Primary and Non-Primary Destination Point Administrator" form for all DPA's and the certification signed by the organization's CEO.

- Must maintain a signed User Statement (see Attachment B) for anyone who is not a DPA but has access to Federal Student Aid systems, including by batch or online.
- Must review SAIG user reports provided by the Department to update user access rights.
- At least on an annual basis, must monitor the organization's NSLDS user access by creating reports using the NSLDS Web site.
- Must ensure that the organization has a process to inform the Primary DPA of any changes in a user's need for access to Federal Student Aid systems because of changes to job responsibilities or termination of employment. The Primary DPA must immediately inactivate or delete user access rights for organization employees who no longer require access.

### 3. Agreements

The Primary DPA and/or the Non-Primary DPA agree(s) and understand(s) that intentional submission of false or misleading information to the U.S. Department of Education is subject to a fine of up to \$10,000, imprisonment for up to five years, or both, under provisions of the United States Criminal Code (including 18 U.S.C. 1001). The Primary DPA and/or the Non-Primary DPA also agree(s) to comply with all provisions of Section 483 of the Higher Education Act of 1965, as amended.

## Attachment A: Glossary

*Academic Competitiveness Grant (ACG).* The Higher Education Reconciliation Act of 2005 (the HERA), Pub. L. 109-171, created the Academic Competitiveness Grant (ACG) Program, a new grant program for full-time students at degree-granting institutions who are Federal Pell Grant recipients, are U.S. citizens, and who have successfully completed a rigorous secondary school program of study.

*Account Maintenance Fee (AMF).* AMF is the annual amount of money paid based on a percentage of the original principal balance of guaranteed loans outstanding during a fiscal year. The AMF back-up detail provides the loan information used in the calculation.

*Annual Reasonability.* NSLDS Annual Reasonability is designed to compare the loan-level detail reported to NSLDS and the aggregated loan data reported on the Guaranty Agency Financial Report (GAFR). In order to accurately account for the loan-level detail on NSLDS, NSLDS performs two types of calculations on the NSLDS database: Quarterly Calculations and Yearly Calculations.

*Award Year.* July 1 of one year through June 30 of the next year. For the Grant Services (Pell, Iraq Afghanistan Service Grant, ACG, SMART, and TEACH), and the electronic Campus-Based (eCB) Programs systems, eligible students are paid out of funds designated for a particular award year.

*electronic Campus-Based (eCB) Programs systems.* The Federal Perkins Loan, Federal Work-Study (FWS), and Federal Supplemental Educational Opportunity Grant (FSEOG) programs are collectively referred to as the eCB Programs systems because the funds for these programs are awarded directly to the school for awarding and administration.

*Central Processing System (CPS).* ED's application data processing facility. The CPS uses information from the Free Application for Federal Student Aid (FAFSA) to calculate the student's official Expected Family Contribution (EFC), to create and transmit to schools the Institutional Student Information Record (ISIR), and to print and mail to the student the *Student Aid Report (SAR)*.

*Cohort Default Rate (eCDR).* A measure of the percentage of a school's student borrowers who have defaulted on their federal student loans.

*Common Origination and Disbursement (COD) System.* Common Origination and Disbursement (COD) is a streamlined method for processing Federal Grant Services (Pell, Iraq Afghanistan Service Grant, ACG, SMART, and TEACH), and Federal Direct Loan data.

*Conditional Disability Discharge (CDD).* The Conditional Disability Discharge (CDD) Program was created to support the regulatory requirement to track borrower claims for total and permanent disability discharge for three years. The regulations require monitoring of income and loan status for a period of three years after certification of disability by a physician. Borrowers determined to be ineligible after the three-year period will be returned to active servicing status. However, if the borrower still meets the eligibility criteria at the end of this period, final discharge of student loan is granted.

*Debt Management Collection System (DMCS).* The Debt Management Collection System (DMCS) houses all default debt held by the Department of Education. This includes Federal Family Education Loan Program (FFELP) loans assigned from Guaranty Agencies (GA), Program Overpayments, Perkins loans assigned from schools, and all the Direct Loan (DL) program defaults. The system allows ED to place accounts with Private Collections Agencies (PCA) who do the actual collection activities. The system tracks all debts, interest accruals, and payments at the loan level and can associate all loans to a specific borrower. The system also interfaces with other government agencies such as Treasury for the Treasury Offset Program (TOP), Health and Human Services for access to CAIVERS and the National Database of New Hires (NDNH). The system also sends out bills and correspondence as needed.

*Destination Point.* An electronic mailbox that sends and receives financial aid data using the SAIG. Every Destination Point is administered by a Primary or a Non-Primary Destination Point Administrator (DPA) and has an electronic mailbox number that begins with the letters “TG.” (See *Destination Point Administrator.*)

*Destination Point Administrator (DPA).* An individual representing an organization involved in the administration of Title IV student financial aid programs (such as a postsecondary institution, FFELP lender, FFELP guaranty agency or third-party servicer) that is enrolled in the SAIG and assigned a Destination Point (TG Number/Mailbox). To enroll as a DPA, an organization’s representative must complete and submit for processing the SAIG Enrollment Form to participate in the U.S. Department of Education’s Student Aid Internet Gateway. The DPA is responsible for the SAIG users’ access to Federal Student Aid systems, to ensure the data provided by these systems is protected according to the Privacy Act of 1974, as amended, as well as to ensure users do not inappropriately access records that are not associated with their organization. Note: The Primary DPA is responsible for enrolling additional Non-Primary DPAs for specific SAIG services assigned to their Destination Points (TG Number/Mailboxes). Non-Primary DPAs are not allowed to make enrollment changes.

*EDconnect.* ED’s telecommunications software that allows PC Windows users to send and receive data through the SAIG.

*EDEpress.* A software product provided by ED that allows institutions to enter, edit and manage origination and disbursement records to report Title IV student financial aid application, grant, and Direct Loan data, using EDconnect to transmit data over SAIG. This software also has functions that institutions can use to package financial aid awards.

*FAA Access to CPS Online.* A Web tool that financial aid administrators use to enter application data, view student information, and make corrections to students’ processed information. It is located at <https://faaaccess.ed.gov>. An FSA User ID is required to access student information.

*Federal Direct Loan (Direct Loan) Program.* A federal program in which the U.S. government (not a commercial lender) provides four types of education loans to student and parent borrowers directly through schools: Federal Direct Subsidized Loan, Federal Direct Unsubsidized Loan, Federal Direct PLUS Loan, and the Federal Direct Consolidation Loan. These loans are referred to collectively as Direct Loans. (The same types of loans are available through FFELP, but in that program, commercial lenders provide the funds to eligible students.)

The program offers four types of loans: Federal Subsidized Stafford Loan, Federal Unsubsidized Stafford Loan, Federal PLUS Loan and the Federal Consolidation Loan. All of these are long-term loans insured by state or private nonprofit guaranty agencies that are reimbursed by the federal government for all or part of any insurance claims paid to lenders. This guarantee replaces the collateral or security usually required with long-term consumer loans. (The same types of loans are available through the Federal Direct Loan Program, but in that program, the U.S government provides the funds directly through schools.)

*Federal Pell Grant (Pell Grant) Program.* A federal grant program for undergraduate students with financial need.

*IRS Skip Trace*. The Treasury Address Request (TAR) Program, referred to as the IRS Skip Trace Process, generates requests to the Internal Revenue Service (IRS) to provide address information on delinquent and defaulted borrowers. Selected borrower records on the Debt Management Collection System (DMCS) are merged with similar records received from numerous schools, loan servicers, and guarantors into a skip trace address request file to be sent to the IRS. The IRS will return an address for the borrowers matched, and these addresses will either be entered into the DMCS or forwarded to the requesting entity.

*Iraq Afghanistan Service Grant*. Beginning with the 2011-2012 Award Year, an eligible student whose parent or guardian died as a result of U.S. military service in Iraq or Afghanistan after September 11, 2001, may receive increased amounts of Title IV student financial assistance. Such students are eligible for increased aid under these provisions if the student was 23 years of age or younger when the parent or guardian died or, if the student was over age 23, he or she was enrolled at an institution of higher education at the time of the parent or guardian's death.
