PRODUCT LABELING

Do all hearing aid-compatible handsets include labeling? 

Yes

No

Explain:

A large, empty text input field with a light gray border and a vertical scrollbar on the right side. It is intended for the user to provide an explanation for their answer to the question above.

Do all hearing aid-compatible handsets that are capable of voice communication over any air interface or frequency band that does not currently have hearing aid compatibility technical standards have clear and effective disclosure that the handset has not been rated for hearing aid compatibility with respect to such operations? [Please also remove the icon with this question.]

Yes

No
