## **INSTRUCTIONS:**

Previously inspected kiwifruit that has been restyled may be shipped under a Restyle Verification Option, providing that the marked size and grade are unchanged from the original inspection. Contact your local Federal-State Inspection Service (FSIS) to receive authorization to ship kiwifruit under this option. You must provide FSIS with the number and type of restyled containers to be shipped. FSIS will assign a Restyle Verification Number that must be placed on each container. This number is only authorized for use on the requested number and type of containers.

## **Restyle Verification Option**

Restyle Verification - A handler may ship previously inspected kiwifruit that has been restyled without obtaining an additional inspection if all shipments made under the restyle verification option comply with all regulations in effect and all of the following conditions are met:

- a) All kiwifruit was restyled from kiwifruit which previously have been inspected and certified as meeting Committee requirements.
- b) The marked size on the restyled product is the same as the marked size on the original product.
- c) The grade on the restyled product is the same as the grade on the original product.
- d) The handler notifies the Federal-State Inspection Service at least 4 hours in advance of when the product will be shipped.
- e) The handler provides the Federal-State Inspection Service with the number and type of restyled containers.
- f) The Federal-State Inspection Service furnishes the handler with a restyle verification number which links the restyled product to the original PLI stamp, and to an official USDA inspection certificate and supporting note sheets.
- g) The handler shall plainly and conspicuously mark one end of each container with the letter "R" and the restyle verification number assigned by the Federal-State Inspection Service. The letter "R" and the number shall not be less than one-half inch in height.
- h) The Federal-State Inspection Service shall notify KAC upon issuing a restyle verification number.
- i) Handlers will be subject to random spot-checks to verify compliance.
