QUESTIONNAIRE

THIS SCREENER IS DESIGNED TO RECRUIT BOYS AND GIRLS, AGES 11-14, WHO ARE IN GRADES 6, 7, AND 8.

INITIAL SCREENING FOR A TEEN MUST GO THROUGH PARENT/GUARDIAN.

ESTABLISH CONTACT WITH ADULT WHO IS THE PARENT/GUARDIAN OF CHILDREN

LIVING IN THE HOME (EITHER M OR F), THEN BEGIN HERE: Hello. My name is _____ from _____, a consumer research company located here in (LOCATION). We are currently involved in a study to understand the ways adolescents today spend their time, access information, and interpret messages. We would like to ask your permission for your child to participate in these discussions, which will help us to better understand how best to communicate with youth on the topic of healthy relationships.

As part of our research study, we'd like to conduct focus groups with boys and girls ages 11-14, who are in 6th, 7th, or 8th grade. Do you have a child in one of these grades? Are they at home?

IF "YES, CONTINUE.

IF "NO," THANK AND END INTERVIEW

IF PARENT WANTS TO KNOW THE NATURE OF THE QUESTIONS YOU'D BE ASKING THE

CHILD, SAY: *Our research study will focus on the issue of “relationships in the lives of youth.” Some potential discussion areas are: feedback on specific events where materials should be displayed (e.g., music concerts for particular bands or musicians); potential business/organization partners that are highly used/respected/recognized by youth ages 11 to 14; where information should be distributed (e.g., Boys & Girls Clubs, specific social networking sites); and draft content and designs developed for campaign materials.*

However, the survey questions that I will ask your child in this conversation will be rather general in nature and geared more toward determining if he or she feels comfortable chatting both with same age peers, and an adult research analyst.

Would you permit me to interview your child for research purposes? I’d like to assure you that this is **NOT** a telephone sales solicitation. I am not trying to sell you or your child any new products or services. This is a survey that is being conducted for information-gathering and analytic purposes only. In fact – at the end of my survey – I may want to invite your child to attend a panel discussion. Would you permit me to interview your child and perhaps invite (him/her) to attend a panel discussion? He/she will be compensated \$75 for his/her participation in the focus group.

IF “YES, CONTINUE AT Q1a. IF “NO,” THANK AND END INTERVIEW.

10. **ASK ALL:** If Nike were to decide to go into the music business, what type of music would they make? What would the style be called? How would it be different from other types of music?

USE THIS QUESTION TO DETERMINE WHETHER OR NOT RESPONDENT CAN CLEARLY ARTICULATE HIS/HER THOUGHTS AND FEELINGS. IF RESPONDENT SAYS "I DON'T KNOW," "I DON'T REMEMBER," SEEMS UNWILLING TO SHARE HIS/HER IDEAS WITH THE RECRUITER, OR SEEMS TO EXHIBIT ANY SPEECH OR HEARING DIFFICULTIES, DO NOT INVITE. LOOK FOR RESPONDENTS WHO ARE VERY ARTICULATE FOR THEIR AGES.

IF RESPONDENT HAS QUALIFIED TO THIS POINT, ASK HIM/HER ABOUT PARTICIPATING IN A GROUP DISCUSSION WITH OTHER SAME GRADE/SAME GENDER KIDS. IF HE/SHE INDICATES THAT HE/SHE WOULD LIKE TO PARTICIPATE, ASK ONCE AGAIN TO SPEAK TO PARENT. INFORM PARENT THAT CHILD IS QUALIFIED AND OBTAIN FINAL PARENTAL PERMISSION.
