

**Instructions for Form I-924, Application for Regional Center Under the Immigrant Investor Pilot Program**

**What Is the Purpose of This Form?**

This form is used to:

1. Apply to U.S. Citizenship and Immigration Services (USCIS) to request designation of an entity to be a regional center under the Immigrant Investor Pilot Program.
2. Request approval of an amendment to a previously approved regional center. An amended regional center designation request may include requests for determinations relating to any or all of the reasons for filing an amendment request noted below.
  - A. An amendment request may be filed to seek approval of changes to the Regional Center's:
    1. Geographic area;
    2. Organizational structure or administration;
    3. Capital investment projects, to include changes in the economic analysis and underlying business plan used to estimate job creation for previously approved investment opportunities and industrial clusters;
    4. Affiliated commercial enterprise's organizational structure and/or capital investment instruments or offering memoranda.
  - B. An amendment may also be filed to seek a preliminary determination of EB-5 compliance for documentation provided as an exemplar Form I-526, Immigrant Petition by Alien Entrepreneur, prior to the filing of Form I-526 petitions by individual alien entrepreneurs with USCIS.

**Who May File This Form?**

This form may be filed by an individual on behalf of a State or local governmental agency, a partnership, or any other existing business entity established in the United States and its territories by an individual, who has the executive or managerial authority to seek the Regional Center designation, or an amended designation.

**General Instructions**

**Fill Out the Form**

1. Type or print legibly in black ink.
2. If extra space is needed to complete any item, attach a continuation sheet, indicate the item number, and date and sign each sheet.
3. Answer all questions fully and accurately. State that an item is not applicable with "N/A." If the answer is none, write "none."

**Who Must File a Form I-924 Supplement for Each Fiscal Year?**

Each designated regional center entity must file a Form I-924 Supplement for each fiscal year (October 1 through September 30) within 90 days after the end of the fiscal year (on or before December 29) of the calendar year in which the fiscal year ended.

**Initial Evidence Requirements**

1. Initial Evidence Requirements for filing:
  - A. A request for the Approval and Designation of a Regional Center; or
  - B. An Amendment to a Previously Approved Regional Center Designation.
2. The Regional Center must focus on a geographical area. This area must be contiguous and clearly identified in the application by providing a detailed map of the proposed geographic area of the Regional Center.
3. Each Regional Center must fully explain how at least 10 new full-time jobs will be created by each individual alien investor within the Regional Center either directly or indirectly.

# DRAFT - Not For Production

Provide an economic analysis that relies on statistically valid forecasting tools that shows and describes how jobs will be created for each industrial category of economic activity (for example, manufacturing, food production/processing, warehousing, tourism and hospitality, transportation, power generation, agriculture, etc.)

The job creation analysis for each economic activity must be supported by a copy of a business plan for an actual or exemplar capital investment project for that category.

**Note:** A business plan provided in support of a regional center application should contain sufficient detail to provide valid and reasoned inputs into the economic forecasting tools and must demonstrate that the proposed project is feasible under current market and economic conditions. The form of the EB-5 investment from the commercial enterprise into the job creating project (equity, loan, or some other financial arrangement) should be identified.

The business plan should also identify any and all fees, profits, surcharges, or other like remittances that will be paid to the regional center or any of its principals or agents through EB-5 capital investment activities.

Provide the industry category title and the North American Industry Classification System (NAICS) code for each industrial category. The NAICS code can be obtained from the U.S. Department of Commerce, Census Bureau ([www.census.gov/epcd/www/naics.htm](http://www.census.gov/epcd/www/naics.htm)). Enter the code from left to right, one digit in each of the six boxes provided in the form in **Part 3, item 7**. If you use a code with fewer than six digits, enter the code left to right and then add zeros in the remaining unoccupied boxes.

The application should be supported by a statement from the principal of the Regional Center that explains the methodologies that the Regional Center will use to track the infusion of each EB-5 alien investor's capital into the job creating enterprise, and to allocate the jobs created through the EB-5 investments in the job creating enterprise to each associated EB-5 alien investor. The anticipated minimum capital investment threshold (either \$1,000,000 or \$500,000) for each investor should also be identified.

**NOTE:** INA section 203(b)(5)(A)(ii) requires that each EB-5 alien investor *must create full-time employment for not fewer than 10 U.S. citizens or aliens lawfully admitted for permanent residence or other immigrants lawfully authorized to be employed in the United States.* (Jobs created for the EB-5 alien investor and his or her spouse, sons, or daughters do not qualify.)

8 CFR 204.6(j)(4)(ii) and 8 CFR 216.6(a)(4) provide a means for EB-5 alien investors to meet the statutory requirement of creating at least 10 jobs for qualifying U.S. workers through capital investments in a “troubled business.” The EB-5 alien investor's capital investment in a “troubled business” must maintain the number of existing employees at no less than the pre-investment level for the period following his or her admission as a conditional permanent resident.

In order to meet the requirements of INA 203(b)(5)(A)(ii), each alien investor must create or maintain at least 10 jobs through the capital investment in a troubled business. If a regional center plans to focus on capital investments in “troubled businesses” within the geographic area of the regional center, then the economic analysis, business plan, and feasibility study submitted must show that each EB-5 alien investor's capital investment in a “troubled business” commercial enterprise will create or maintain at least 10 direct or indirect jobs.

4. Provide a detailed description of the past, current and, future promotional activities for the regional center. Include a description of the budget for this activity, along with evidence of the funds committed to the regional center for promotional activities.

Submit a plan of operation for the regional center which addresses how investors will be recruited and how the regional center will conduct its due diligence to ensure that all immigrant investor funds affiliated with its capital investment projects will be obtained from lawful sources.

5. Provide a general prediction which addresses the prospective impact of the capital investment projects sponsored by the regional center, regionally or nationally, with respect to increases in household earnings; greater demand for business services, utilities, maintenance and repair; and construction both within and without the regional center.

# DRAFT - Not For Production

6. The application must fully describe and document the organizational structure of the regional center. In addition, it is helpful for the regional center to show that the capital investment offering instruments, business structure, and operating agreements of the proposed commercial enterprises that will be affiliated with the regional center are compliant with the EB-5 statutory and regulatory requirements, as well as the binding EB-5 precedent decisions.

**NOTE:** There are four EB-5 precedent decisions, which may be accessed at [http://www.justice.gov/eoir/vll/intdec/lib\\_indecitnet.html](http://www.justice.gov/eoir/vll/intdec/lib_indecitnet.html):

- i. *Matter of Soffici*, 22 I&N Dec. 158 (BIA 1998);
- ii. *Matter of Izummi*, 22 I&N Dec. 169 (BIA 1998).  
**Note:** Pub. L. 107-273 eliminated the requirement set forth in *Izummi* that, in order for a petitioner to be considered to have “created” an original business, he or she must have had a hand in its actual creation. Under the new law, an alien may invest in an existing business at any time following its creation, provided he or she meets all other requirements of the regulations;
- iii. *Matter of Hsiung*, 22 I&N, Dec. 201 (BIA 1998); and
- iv. *Matter of Ho*, 22 I&N Dec. 206 (BIA 1998).

Documentation of the above should be included but not limited to:

- A. A description and documentation of the business structure of both the regional center entity and the commercial enterprises that are or will be affiliated with the regional center, such as articles of incorporation, certificate of incorporation, or legal creation as a partnership or limited liability company (LLC), partnership or LLC agreements, etc.;
- B. Draft subscription agreement for investment into the commercial enterprise;
- C. Draft escrow agreement and instructions, if any;
- D. List of proposed financial institutions that will serve as the Escrow Agent, if any;
- E. Draft of an offering letter, memorandum, private placement memorandum, or similar offering to be made in writing to an immigrant investor offering capital investments through the regional center; and
- F. Draft memorandum of understanding, interagency agreement, contract, letter of intent, or similar agreement to be entered into with any other party, agency or organization to engage in activities on behalf of or in the name of the regional center.
