

Narrative of Changes

The purpose of the Narrative of Changes is to clearly indicate revisions to a collection since the previous approval

Collection Title: Enhanced Maritime Domain Awareness
via Electronic Transmission of Vessel Transit Data

OMB Control No.: 1625-0112

Current Expiration Date: 08/31/2011

Collection Instruments: Instructions

The change in burden hours is an ADJUSTMENT. There is no proposed change to the reporting or recordkeeping requirements of this collection. The reporting and recordkeeping requirements and the methodology for calculation burden remain unchanged.

The following listed below are changes to the collection:

- Increase in burden (respondents/responses/burden hours) is an ADJUSTMENT due to a change in the vessel population (increase in respondents (+163), responses (+163) and burden hours (+54)).
- Updates are provided for cost burden associated with this collection of information.
- USCG has created printable instructions for this collection of information.
