Other change** The Department is submitting the attached data collection form under OMB# 1820-0621 to receive approval for changes to the instructions for which children with disabilities to include when reporting data on cumulative length of suspensions that appear on page 7 of Table 5. We are clarifying our instructions around who to include in the counts related to suspensions in order to eliminate a contradiction in the instructions and to ease the state's burden when collecting data related to cumulative length of suspensions for the Table 5.
