Now we would like to ask you about any formal job training you have received from your employer. Formal training is planned in advance and has a structured format and a defined curriculum. Examples include attending a class conducted by an employee of your company, or attending a seminar given by a professional trainer. The training could be held at your workplace held somewhere else, or done on-line.

B12DE1

In the last 12 months, have you received any of the following types of formal training from your employer? (Mark all that apply. Include training from past as well as current employers.)
