Commission Rule 140.735-6 governs the practice before the Commission of former members and employees of the Commission and is intended to ensure that the Commission is aware of any existing conflict of interest. The rule generally requires former members and employees who are employed or retained to represent any person before the Commission within two years of the termination of their CFTC employment to file a brief written statement with the Commission's Office of General Counsel. The proposed rule was promulgated pursuant to the Commission's rulemaking authority contained in Section 8a(5) of the Commodity Exchange Act, 7 U.S.C. 12a(5) (1994).

The Commission estimates the burden of this collection of information as follows:

Estimated Annual Reporting Burden					
17 CFR Section	Annual Number of Respondents	Frequency of Response	Total Annual Responses	Hours per Response	Total Hours

17 CFR	3	1.5	4.5	.10	0.45
140.735-6					

There are no capital costs or operating and maintenance costs associated with this collection.

This estimate is based on the number of responses received over the last three years.
