NOTE: Actual number of hours may vary due to rounding

* A total sample size of 5,500 producers in 22 states will be surveyed. 2,000 operations with 1 - 19 ewes will be administered a subset of questions via phone interview (NAHMS 246). 3,500 operations with 20+ ewes will be administered the full questionnaire via personal interview (NAHMS 247). NAHMS 248 and 249 will be administered to respondents of NAHMS 247 that consent for Phase 2. NAHMS 250 through 252-- will be administered to the same respondents of NAHMS 248 and 249. Estimated number of respondents are for complete data questionnaires.
