This information is being collected to ensure that timely and accurate information about fishing activity and success is available so the Pacific Fishery Management Council can assess the effects and effectiveness of management of the highly migratory species fisheries off the West Coast. Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number. The reporting burden for this collection is estimated to be 5 minutes per page. Proprietary data submitted will be handled as confidential data under section 402(b) of the Magnuson-Stevens Fishery Conservation and Management Act. Reporting is mandatory under regulations implementing a fishery management plan. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Rodney R. McNis, Acting Regional Administrator, Southwest Region, NMFS, 501 W. Ocean Boulevard, Suite 4200, Long Beach, CA 90802. OMB Control Number: 0648-0498; Expiration Date: 10/31/2007
