APPROVAL DATE: March 25, 2010

The EMT Associates, Inc. Institutional Review Board (IRB) Acting Chair reviewed and approved your IRB annual renewal and noted that no protocol changes are requested. The approval date is listed above.

If any changes occur in the protocol that would change the category of review, you must re-submit the protocol for IRB review. When the protocol is complete, a Study Closure Form must be submitted to the IRB.

Any adverse reactions or problems resulting from this protocol must be reported immediately to the EMT Institutional Review board.

Sincerely,

Joël Phillips, Acting IRB Chair
