PRIVACY ACT NOTICE

General

This information is provided pursuant to Public Law 93-579 (Privacy Act of 1974), December 21, 1984, for individuals completing Federal Investigative forms.

Authority

The authority to collect information on the attached form is derived from one or more of the following:

Title 5, Code of Federal Regulations, section 5.2; Title 5, United States Code, sections 1303, 1304, and 3301; sections 8(b), 8(c), and 9(c) of Executive Order 10450; Title 42, United States Code, section 2455; and Title 22, United States Code, sections 1434 and 2585.

Purposes and Uses

The information you supply will be used principally as a basis for an investigation to determine your fitness for employment purposes, including a security clearance and an evaluation of qualifications, suitability, and loyalty to the United States. As part of such an investigation, the Standard Form 87 (Fingerprint Chart) will be sent to the Federal Bureau of Investigation and may be retained there. This information and information developed through investigation may be furnished to designated officers and employees of agencies and departments of the Federal Government for employment purposes, including security clearance determination, an access determination, an evaluation of qualifications, suitability, and loyalty to the U.S. Government, and a determination regarding qualifications or suitability for performing a contractual service to the Federal Government. The information may also be disclosed to any agency of the Federal Government having a working relationship with regard to Office of Personnel Management activities, to the intelligence agencies of the Federal Government, or to others having reasons as published in the Federal Register.

Effects of Nondisclosure

The employment application form requests specific information. If you omit answering an item, however, you may not receive full consideration for a position; and without your social security number, we cannot process your application. Consequently, it is in your best interest to answer all of the questions. The U.S. Criminal Code, Title 18 U.S.C. 1001, provides that knowingly falsifying or concealing a material fact is a felony that may result in fines of up to \$10,000 or 5 years in prison, or both. Under 5 U.S.C. 8315, a false answer to questions relating to membership in the Communist Party, U.S.A., or other communist or fascist organizations could deprive you of your right to an annuity when you reach retirement age. Deliberately and materially making false or fraudulent statements on this form will be grounds for not granting you a security clearance and not hiring you or for firing you after you begin work. In addition, these violations will become part of your permanent record for future employment.

Information Regarding Disclosure of Your Social Security Number under Public Law 93-579 Section 7(b)

Disclosure by you of your Social Security Number (SSN) is mandatory to obtain the services, benefits, or processes that you are seeking. Solicitation of the SSN by the United States Office of Personnel Management is authorized under provisions of Executive Order 9397, dated November 22, 1943. The SSN is used as an identifier throughout your Federal career from the time of application through retirement. It will be used primarily to identify your records with the Office of Personnel Management and other Federal agencies in connection with lawful requests for information about you from former employers, educational institutions, and financial or other organizations. The information gathered through the use of the SSN will be used only as necessary in personnel administration processes carried out in accordance with established regulations and published notices of system of records. The SSN also will be used for the selection of persons to be included in statistical studies of personnel management matters. The use of the SSN is made necessary because of the large number of present and former Federal employees and applicants who have identical names and birth dates, and whose identities can only be distinguished by the SSN.
