SUPPLEMENTARY INFORMATION: One comment was received in response to the 60-day **Federal Register** Notice published July 27, 2010, 75 FR 43998. The comment asked for clarification on the difference in notification requirements for Letter of Map Revisions (LOMRs) and Physical Map Revisions (PMRs). The reason for the difference is explained in FEMA Form 086-0-27A (formerly FEMA Form 81-89A), Riverine Hydrology and Hydraulics Form. The commenter also was concerned that the notification is costly and time consuming and mentioned that the notifications must be sent using certified mail, but that is not a requirement.

Extension of the Designation of Somalia for Temporary Protected Status

AGENCY: U.S. Citizenship and Immigration Services, Department of Homeland Security (DHS).

ACTION: Notice.

SUMMARY: This Notice announces that the Secretary of Homeland Security (Secretary) has extended the designation of Somalia for temporary protected status (TPS) for 18 months, from its current expiration date of March 17, 2011 through September 17, 2012. The Secretary has determined that an 18-month extension is warranted because conditions in Somalia prompting the TPS designation continue to be met. Armed conflict in Somalia is ongoing and, due to such conflict and other extraordinary and temporary conditions, requiring the return of eligible individuals with TPS to Somalia would pose a serious threat to their personal safety.

This Notice also sets forth procedures necessary for nationals of Somalia (or aliens having no nationality who last habitually resided in Somalia) with TPS to re-register and to apply for an extension of their employment authorization documents (EADs) with U.S. Citizenship and Immigration Services (USCIS). Re-registration is

limited to persons who previously registered for TPS under the designation of Somalia and whose applications have been granted or remain pending. Certain nationals of Somalia (or aliens having no nationality who last habitually resided in Somalia) who have not previously applied for TPS may be eligible to apply under the late initial registration provisions. Information on late initial registration can be found on the USCIS Web site at <http://www.uscis.gov> on the "Temporary Protected Status" homepage.

USCIS will issue new EADs with a September 17, 2012 expiration date to eligible TPS beneficiaries who timely re-register and apply for EADs.

DATES: The extension of the TPS designation of Somalia is effective March 18, 2011, and will remain in effect through September 17, 2012. The 60-day re-registration period begins November 2, 2010 and will remain in effect until January 3, 2011.
