

Appeals for Denial or Revocation of AN Registered User Numbers Instrument

Name of Instrument

Appeals for Denial or Revocation of AN Registered User Numbers

Scope of Instrument

This instrument collects relevant information necessary to process, conduct and resolve appeals or other filings, to include:

- Personally identifiable information of individuals who file a written Request for Materials requesting copies of the information on which denial or revocation was based
- Information deemed pertinent by, or upon which an appealing individual disputes the Department's denial or revocation determination, as submitted by that individual in a Request for Appeal
- Other information necessary for processing the appeal
