PRIVACY ACT AND PAPERWORK REDUCTION ACT STATEMENTS: Your response to this request is voluntary; however, failure to provide all or part of the information could prevent an accurate and timely decision on this claim and could affect your Social Security benefit. The Social Security Administration uses the information you furnish to determine the effect of your worker's compensation or other public disability benefit on your Social Security disability insurance benefit, as provided in section 224 of the Social Security Act (42 U.S.C.424). The information on this form may be disclosed by the Social Security Administration to another person or agency for the following purposes: (1) to assist the Social Security Administration in establishing the right of a beneficiary to Social Security Benefits, (2) to facilitate statistical research and audit activities necessary to assure the integrity and improvement of the Social Security programs, and (3) to comply with laws requiring the exchange of information between the Social Security Administration and another agency. We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

These and other reasons why information about you may be used or given out are explained in the Federal Register. If you want to learn more about this, contact any Social Security office.

The Paperwork Reduction Act of 1995 requires us to notify you that this information collection is in accordance with the clearance requirements of section 3507 of the Paperwork Reduction Act of 1995.
