ATTN: SURVEY PROCESSING CENTER DATA RECOGNITION CORPORATION P.O. BOX 5720 HOPKINS, MN 55343

AGENCY DISCLOSURE NOTICE

The public reporting burden for this collection of information is estimated to average 90 minutes per response, including the time for reviewing the instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services Directorate (insert number). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

PRIVACY NOTICE

This survey does not collect or use personally identifiable information and is not retrieved by a personal identifier. Therefore, the information collected is not subject to the Privacy Act of 1974, as amended (5 U.S.C. § 552a).

This notice informs you of the purpose of the 2010 Post-Election Voting Surveys and how the findings of these surveys will be used. Please read it carefully.

Returning this survey indicates your agreement to participate in this research.

AUTHORITY: 42 United States Code, Section 1973ff.

PRINCIPAL PURPOSE: This survey is conducted by the Federal Voting Assistance Program (FVAP), which informs and educates United States citizens covered by the Uniformed and Overseas Citizens Absentee Voting Act *(UOCAVA)*. The *UOCAVA* covers members of the Uniformed Services and Merchant Marines, their family members, and citizens residing outside the United States. Reports will be provided to the President and to Congress.

DISCLOSURE: Providing information on this survey is voluntary. Most people can complete the survey in 90 minutes. There is no penalty to you or your office if you choose not to respond. However, maximum participation is encouraged so that the data will be complete and representative. Your individual survey responses will be kept private to the extent permitted by law. If you answer any items and indicate distress or being upset, etc., you will not be contacted for follow-up purposes. However, if you indicate a direct threat to harm yourself or others within responses or communications about the survey, because of concern for your welfare, The Defense Manpower Data Center (DMDC) will notify an office in your area for appropriate action.

SURVEY ELIGIBILITY AND POTENTIAL BENEFITS: Local Election Official offices representing all voting jurisdictions including the District of Columbia and the U.S. territories are included in the survey population. There is no direct benefit for your individual participation, however your responses, when taken together with the responses from all the other Local Election Officials, *will make a difference* by helping to identify areas where the absentee voting process can be improved.

STATEMENT OF RISK: Completing the survey is not expected to involve any risk or discomfort to you. The only risk is the unintentional disclosure of the data you provide. However, the government and its contractors have a number of policies and procedures to ensure that survey data are safe and protected. Government and contractor staff have been trained to protect survey data.

If you experience any difficulties taking the survey, please contact the Survey Processing Center by sending an e-mail to LEOSurvey@osd.pentagon.mil or call, toll-free, 1-800-881-5307. If you have concerns about your rights as a research participant, please contact: Ms. Caroline Miner, Human Research Protection Program Manager for the Office of the Under Secretary of Defense (P&R), HRPP@tma.osd.mil (703) 575-2677.

Once you start answering the survey, if you desire to withdraw your answers, please notify the Survey Processing Center prior to December 28, 2010. Please include in the e-mail or phone message your name and Ticket Number. Unless withdrawn, partially completed survey data may be used after that date.

MAILING INSTRUCTIONS

- Please return your completed survey in the business reply envelope. (If you misplaced the envelope, mail the survey to DMDC, c/o Data Recognition Corp., P.O. Box 5720, Hopkins, MN 55343).
- If you are returning the survey from another country, be sure to return the business reply envelope only through a U.S. government mail room or post office.
- · Foreign postal systems will not deliver business reply mail.

COMPLETION INSTRUCTIONS

- Please use a BLUE or BLACK ink pen.
- Place an "X" in the appropriate box or boxes.
- Please write each number clearly and in it's own box.
