Hello. This is a message about the health survey of those who lived or worked at Camp Lejeune or Camp Pendleton. The survey is being conducted by the Agency for Toxic Substances and Disease Registry and is funded by the Navy and the Marine Corps. Someone in your household should have recently received a questionnaire in the mail. We thank you if the questionnaire has already been mailed back to us. If it has not yet been returned, we hope you will consider completing the questionnaire and mailing it to us in the pre-paid postage envelope. We need everyone to complete the survey so the results are valid.

If you have any questions about this survey, please call our toll-free number 1-XXX-XXX-XXXX. Westat is the organization under contract to the government to provide assistance for this survey. Thank you for taking the time to participate in this important survey.
