

**Addendum to Supporting Statement for
RSI/DI Quality Review Case Analysis - Sampled Number Holder; Auxiliaries/Survivors;
Parent; Stewardship Annual Earnings Test
OMB: 0960-0189**

SSA is making the following revisions

Change 1: We are removing the Quality Review Manual (QRM) references on Form SSA-4659-F4 from the middle of the workbook and placing instructions for the Social Insurance Specialist within the appropriate section of the workbook.

Justification 1: We are making this language change for clarification purposes.

Change 2: We are removing the Individual Development Account (IDA) information on Form SSA-2931-BK (RSI/DI Quality Review Case Analysis- Auxiliary/Surviving Spouse and Children).

Justification 2: We are moving the IDA information, because we no longer do the IDA review.

We are revising the PRA statement to reflect our current boilerplate language. The current language, which dates back to the last reprint of the form, is now outdated.
