|--|--------------------------|------------------------------------|---|-------------------------------|------------------|----------------------|
| Topic/Key Subtopics | Program Document S | Site Document s & Records | Sources Notes from Site Selection and Monitorin g | Site Visit Discussion S | Observation s | Youth survey s |
| PROCRAM | | | | | | |
| PROGRAM Program background - When, by whom, and how developed - Extent and settings of prior use - Prior evidence of effectiveness | x | | x | | | |
| Site background - Youth demographics and risk behavior levels - Community and organizational setting - Previous and other existing programming - Process and rationale for selecting program | | x | x | x | | |
| Program type and emphases - Abstinence until marriage - Abstinence-based education - Sexuality education - Family planning education and outreach - STD/HIV education and prevention - Youth development | x | x | x | | | |
| Core components of the program - Core content - Core pedagogy/instructional strategies - Core implementation logistics | х | х | Х | Х | | |
| Planned adaptations to the existing program | Х | х | Х | Х | | |
| Program goals and expected outcomes Sexual risk behavior Other - In each area: - Goals - Expected outcomes for youths, adults, schools, community | x | x | x | x | | |
| Intended target population - Age/grades - Gender - SES - Organizational affiliation - Risk indicators | х | x | x | x | | |
| Main messages conveyed to participants | х | х | х | х | | |
| Theory of change/logic model Underlying developmental theory Underlying learning and influence theory Program-specific operational theory of change | х | х | x | х | | |
| School needs and values Stakeholders Steps taken to gain and maintain school/district buy-in and support Coordination with other related school programs | | x | x | x | | |
| Community needs and values - Stakeholders | | х | х | х | | |

| in and support | | | | | | |
| External events | | | | x | | |
| - Outside influences that may have affected the | | | | ^ | | |
| program outcomes targeted for change | | | | | | |
| Availability and features of other programs/services | | | x | x | | |
| with similar goals (including pregnancy prevention and family planning programs) | | | ~ | ~ | | |
| - School-based programs | | | | | | |
| - Clinic-based programs | | | | | | |
| - Community-based programs | | | | | | |
| Youth participation in other relevant programs/services | | | | x | | Х |
| - School-based programs | | | | ^ | | ~ |
| Clinic-based programs | | | | | | |
| - Community-based programs | | | | | | |
| | | | | | | |
| Program administration and funding | | | | | | |
| Sponsor/organization administering program | | x | x | x | | |
| - National organization, and role | | ^ | ^ | ~ | | |
| Local sponsoring organization | | | | | | |
| Program partners and their roles | | v | v | V | | |
| - Formal and informal partners | | х | х | х | | |
| Roles in implementing program | | | | | | |
| Sources of financial and in-kind resources | | | | | | |
| | | X | X | X | | |
| Adequacy of resources | | Х | Х | Х | | |
| Key resources required/used to implement program | | | | | | |
| Program materials | х | х | х | х | | |
| - Curriculum materials | | | | | | |
| - Teacher/leader guides | | | | | | |
| - Supplemental resources | | | | | | |
| - Assessment/monitoring tools | | | | | | |
| Staff structure and positions | | х | х | х | | |
| - Organizational chart | | | | | | |
| - Position descriptions | | | | | | |
| Minimum qualifications for each position | | | | | | |
| - Use of volunteers | | | | | | |
| Training (pre-service and in-service) and technical | х | х | х | х | | |
| assistance | | | | | | |
| Training offered or sanctioned by program | | | | | | |
| developer | | | | | | |
| Technical assistance offered or sanctioned by | | | | | | |
| program developer | | | | | | |
| - Other training or technical assistance used by site | | | | | | |
| - Certification (availability, process, cost) | | | | | | |
| Facilities | | х | х | х | | |
| - Infrastructure required/used (technology, special | | | | | | |
| facilities or space requirements) | | | | | | |
| Cost | х | х | х | х | | |
| - Overall cost, cost per participant | | | | | | |
| - Cost of acquiring curriculum materials, etc | | | | | | |
| Cost of external training and technical assistance | | | | | | |

Key features/activities planned/implemented
