## **ATTACHMENT D**

## SAMPLE STATEMENT OF ASSENT FOR FOCUS GROUPS

**Important note:** The eight different survey sites may modify the Child Assent Form to meet the requirements of their local Institutional Review Boards (IRBs). OAH and ACF will provide this document as a model of the most basic content that should be included in the form the sites submit to their IRBs.

## SAMPLE STATEMENT OF ASSENT

## EVALUATION OF ADOLESCENT PREGNANCY PREVENTION APPROACHES (PPA)

(Sponsored by the United States Department of Health and Human Services)

the focus group (PPA). I was told was described to information I provishown to my parquestions that ma	for the Evaluation of Adoles that I have been selected to be me and any questions I havide is private and will not be ents or teachers. I also unde	e what I can expect from partical scent Pregnancy Prevention Apple a part of the focus group. The discrete answered. I understand provided to people outside of the restand that I do not have to an another that the PPA study.	oproaches e process I that the e study or eswer any
